Securities Purchase Agreement, Registration Rights Agreement and Warrant Agreement with Emerald

On January 19, 2018, Nemus Bioscience, Inc. (“Nemus”) announced that it has received the remaining \$400,000 in funding under the previously announced Secured Promissory Note for a convertible loan (the “Bridge Loan”) with Emerald Health Sciences Inc. (“Emerald”), has entered into a Securities Purchase Agreement (the “Agreement”) with Emerald pursuant to which Nemus issued and sold to Emerald 15,000,000 shares (the “Shares”) of Nemus’ common stock, par value \$0.001 per share (the “Common Stock”), and a warrant to purchase 20,400,000 shares of Common Stock at an exercise price of \$0.10 per share for a term of five years (the “Warrant” and, together with the Shares, the “Securities”) for aggregate gross proceeds of \$1,500,000 (the “Initial Closing”). Pursuant to the Agreement, Emerald has committed to purchase a minimum of at least 10,000,000 shares of Common Stock and a warrant for at least 13,600,000 shares of Common Stock at the same price for the Securities on or before February 28, 2018 (the “Second Closing”). Concurrently with the Initial Closing, the outstanding balance of the Bridge Loan automatically converted into 9,000,000 shares of Common Stock.

The Securities were sold in a transaction exempt from registration under Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”) and Rule 506(b) of Regulation D. Nemus intends to use the proceeds of the Initial Closing for general corporate purposes, including, without limitation, to pay down obligations and other working capital items.

As part of the terms of the Agreement, Nemus entered into a Registration Rights Agreement (the “Registration Rights Agreement”) with Emerald pursuant to which Nemus has agreed to file a registration statement to register for resale the Shares and the shares of Common Stock underlying the Warrant within 30 calendar days following the Initial Closing. Subject to certain exceptions, in the event the registration statement does not become effective within certain time periods set forth in the Registration Rights Agreement, Nemus would be required to pay Emerald an amount in cash equal to 1.5% of the aggregate purchase price of the Preferred Shares for each 30-day period or pro rata for any portion thereof until such time as the registration statement becomes effective or the Shares and the shares of Common Stock underlying the Warrant sold in the Initial Closing may be sold by Emerald pursuant to Rule 144 without any restrictions or limitations.

The foregoing description of the Agreement, the Registration Rights Agreement and the Warrant does not purport to be complete and is qualified in its entirety by the Agreement, the Registration Rights Agreement and the Warrant attached hereto as Exhibits 4.1, 10.1, 10.2, each of which is incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 above is incorporated herein by reference.

On January 18, 2018, Nemus entered into a Restricted Stock Agreement with each of Dr. Murphy, Elizabeth Berecz and Cosmas N. Lykos granting 900,000, 700,000 and 900,000 shares of restricted Common Stock (the “Restricted Stock”), respectively. Pursuant to the terms of the Restricted Stock Agreements, the Restricted Stock vests in equal 50% installments on the first and second anniversaries of the grant date, subject to continued employment with Nemus through the applicable vesting date. The Restricted Stock were issued in transactions exempt from registration under Section 4(a)(2) of the Securities Act and Rule 506(b) of Regulation D.

The foregoing description of the Restricted Stock Agreements does not purport to be complete and is qualified in its entirety by the form of Restricted Stock Agreement attached hereto as Exhibit 4.1, which is incorporated herein by reference.

Item 5.01 Changes in Control of Registrant.

As a result of the Initial Closing, a change of control has occurred and Emerald beneficially owns approximately 50.5% of the Common Stock of the Company on an as-converted basis. The source of funds for the Agreement and the Bridge Loan was working capital of Emerald. The information set forth under Item 1.01 and 5.02 is incorporated herein by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Pursuant to the terms of the Agreement and effective as of the Initial Closing, each of Cosmas N. Lykos, Douglas S. Ingram, Thomas A. George and Gerald W. McLaughlin resigned from the board of directors of Nemus (the "Board"). Effective as of the Initial Closing, the size of the Board was reduced to three directors and Punit Dhillon and Jim Heppell were appointed as members of the Board. Dr. Brian S. Murphy continues as a director of Nemus.

Messrs. Dhillon and Heppell will be compensated for their service on the Board in accordance with the Company's director compensation program as outlined in the Company's last proxy statement. The Company entered into indemnification agreements with Messrs. Dhillon and Heppell in the form of the Company's standard form of indemnification agreement. Messrs. Dhillon and Heppell are not a party to any transaction required to be disclosed pursuant to Item 404(a) of Regulation S-K. Other than the Agreement, there were no arrangements or understandings pursuant to which Messrs. Dhillon and Heppell were selected as directors.

Item 7.01 Regulation FD Disclosure.

On January 19, 2019, Nemus issued a press release announcing the remaining financing under the Bridge, the entering into the Agreement and the Initial Closing. A copy of the press release is attached hereto as Exhibit 99.1. The information in this Item 7.01 shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section, and shall not be deemed to be incorporated by reference into any of Nemus' filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and regardless of any general incorporation language in such filings, except to the extent expressly set forth by specific reference in such a filing.

NOW, THEREFORE, in consideration of the mutual covenants herein contained and for other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto do hereby agree as follows:

ARTICLE I.
AWARD OF RESTRICTED STOCK

Section 1.1 – Award of Restricted Stock

ARTICLE II.
RESTRICTIONS

Section 2.1 – Forfeiture of Restricted Stock

Subject to Section 2.2 hereof, upon the Restricted Stockholder's termination of employment or service with the Corporation for any or no reason, any portion of the award (and the Restricted Stock subject thereto) which has not vested prior to or in connection with such termination of service or employment (after taking into consideration any accelerated vesting and lapsing of Restrictions, if any, which may occur in connection with such termination of service or employment, including under Section 2.2 hereof) shall thereupon be forfeited immediately and without any further action by the Corporation or the Restricted Stockholder, and the Restricted Stockholder shall have no further right or interest in or with respect to such Restricted Stock or such portion of the award. For purposes of this Agreement, "*Restrictions*" shall mean the restrictions on sale or other transfer set forth in Section 2.5 hereof and the exposure to forfeiture set forth in this Section 2.1.

Section 2.2 – Lapse of Restrictions; Severance

(a) Subject to paragraph (b) below and to Section 2.1 hereof, the Restrictions shall lapse in two substantially equal 50% installments on each of the first and second anniversaries of the Grant Date.

(b) In the event that the Restricted Stockholder's [or K2C, Inc.'s a California corporation ("**Contractor**")]¹ employment or service is terminated by the Corporation without Cause, then subject to the Restricted Stockholder's timely execution and non-revocation of a general release of claims against the Corporation in a form attached hereto as Exhibit A (the "**Release**"): (i) the Restricted Stockholder [or Contractor] shall be entitled to receive a cash severance payment equal to six months of the Base Compensation, payable in substantially equal installments in accordance with the Corporation's normal payroll procedures during six-month period following the termination date; *provided, however*, that no such payments shall be made prior to the first payroll date occurring on or after the 30th day following the termination date (such payroll date, the "**First Payroll Date**") (with amounts otherwise payable prior to the First Payroll Date paid on the First Payroll Date without interest thereon); and (ii) each then-unvested Corporation stock option and restricted stock award held by the Restricted Stockholder [or Contractor] (including the Restricted Stock) shall conditionally vest in full and, as applicable, become exercisable on the termination date (and such vesting shall become unconditional upon the Restricted Stockholder's execution and non-revocation of the Release).

(c) For purposes of this Agreement the following definitions shall apply:

"**Base Compensation**" means [the Restricted Stockholder's annual base salary rate in effect immediately prior to the termination of employment],² determined without regard to any reduction in [annual base salary]³ that occurs on or after the Grant Date.

"**Cause**" shall mean Restricted Stockholder's [or Contractor's] criminal misconduct, gross negligence, act of moral turpitude, misappropriation of funds or embezzlement against the Corporation, or failure or refusal (whether willful, reckless or negligent) to substantially perform the responsibilities and duties to the Corporation (other than a failure caused by temporary disability) as may be specified in a separate agreement in effect as of the date hereof.

Section 2.3 – Legends

Certificates representing Restricted Stock issued pursuant to this Agreement (if any) shall, until all Restrictions imposed pursuant to this Agreement lapse or have been removed and the shares of Restricted Stock have thereby become vested or the shares of Restricted Stock represented thereby have been forfeited hereunder, bear the following legend (or such other legend as shall be determined by the Board):

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO CERTAIN VESTING REQUIREMENTS AND MAY BE SUBJECT TO FORFEITURE UNDER THE TERMS OF A RESTRICTED STOCK AWARD AGREEMENT, BY AND BETWEEN NEMUS BIOSCIENCE, INC. AND THE REGISTERED OWNER OF SUCH SHARES, AND SUCH SHARES MAY NOT BE, DIRECTLY OR INDIRECTLY, OFFERED, TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED OF UNDER ANY CIRCUMSTANCES, EXCEPT PURSUANT TO THE PROVISIONS OF SUCH AGREEMENT."

Section 2.4 – Escrow

The Secretary of the Corporation or such other escrow holder as the Board may appoint may retain physical custody of any certificates representing the shares of Restricted Stock until all of the Restrictions lapse or shall have been removed; in such event, the Restricted Stockholder shall not retain physical custody of any certificates representing unvested shares of Restricted Stock issued to him or her. The Restricted Stockholder, by acceptance of the award, shall be deemed to appoint, and does so appoint, the Corporation and each of its authorized representatives as the Restricted Stockholder's attorney(s)-in-fact to effect any transfer of unvested forfeited shares of Restricted Stock (or shares of Restricted Stock otherwise reacquired by the Corporation hereunder) to the Corporation as may be required pursuant to this Agreement and to execute such documents as the Corporation or such representatives deem necessary or advisable in connection with any such transfer.

Section 2.5 – Restricted Stock Not Transferable

Until the Restrictions hereunder lapse or expire pursuant to this Agreement, neither the Restricted Stock (including any shares received by holder thereof with respect to shares of Restricted Stock as a result of stock dividends, stock splits or any other form of recapitalization) nor any interest or right therein or part thereof shall be liable for the debts, contracts, or engagements of the Restricted Stockholder or his or her successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy) and any attempted disposition thereof shall be null and void and of no effect; provided, however, that this Section 2.5 shall not prevent transfers by will or by the applicable laws of descent and distribution or pursuant to a "qualified domestic relations order" within the meaning of Section 414(p) of the Code.

Section 2.6 – Restrictions on New Shares

The Corporation shall not be required to issue such shares in book entry or certificated form prior to fulfillment of all of the following conditions:

- (b) The obtaining of any approval or other clearance from any state or federal governmental agency which the Committee shall, in its absolute discretion, determine to be necessary or advisable;

- (d) The lapse of all Restrictions with respect to the shares to be represented by such book entry or certificate(s).

Section 3.3 – Attorney-in-Fact; Stop-Transfer Orders, Etc.

(a) The Restricted Stockholder hereby authorizes and directs the Secretary of the Corporation or such other person designated by the Corporation to transfer, if necessary, the shares of Restricted Stock which are subject to the Restrictions from the Restricted Stockholder to the Corporation, in the event of the forfeiture of such shares pursuant to Section 2.1 hereof.

(b) To insure the availability for delivery of the Restricted Stock upon forfeiture of such shares pursuant to Section 2.1 hereof, the Restricted Stockholder hereby appoints the Secretary of the Corporation as its attorney-in-fact to sell, assign and transfer unto the Corporation, such shares, if any, forfeited pursuant to this Agreement, and hereby agrees to execute such documents as requested by the Corporation to effectuate such sale, assignment or transfer.

(c) To ensure compliance with the Restrictions, the provisions of the charter documents of the Corporation, state and Federal securities and other laws and for other proper purposes, the Corporation may issue appropriate “stop transfer” and other instructions to its transfer agent with respect to the Restricted Stock. The Corporation shall immediately notify the transfer agent as the Restrictions lapse.

Section 3.5 – Rights as Stockholder

Except as otherwise provided herein, the holder of the Restricted Stock shall have all the rights of a stockholder with respect to the Restricted Stock, including the right to vote the Restricted Stock and the right to receive all dividends or other distributions (including extraordinary distributions) paid or made with respect to the Restricted Stock; provided, however, that in the discretion of the Committee, any extraordinary distributions with respect to the Restricted Stock that is subject to the Restrictions shall also be subject to the Restrictions; provided, further, that prior to the issuance of a share of Common Stock in connection with the lapse of Restrictions on a share of Restricted Stock, the Restricted Stockholder hereby acknowledges and agrees that he shall vote such share of Restricted Stock in accordance with the recommendation of the Board (if any).

Section 3.6 – Conformity to Securities Laws

The Restricted Stockholder acknowledges that this Agreement is intended to conform to the extent necessary with all provisions of all applicable federal and state laws, rules and regulations (including, but not limited to, the Securities Act of 1933, as amended and the Exchange Act and any and all regulations and rules promulgated by the Securities and Exchange Commission thereunder, including without limitation the applicable exemptive conditions of Rule 16b-3) and to such approvals by any listing, regulatory or other governmental authority as may, in the opinion of counsel for the Corporation, be necessary or advisable in connection therewith. Notwithstanding anything herein to the contrary, this Agreement shall be administered, and the Restricted Stock is granted, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, this Agreement and the Restricted Stock shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

Section 3.7 – Amendments

This Agreement may be amended only with the written consent of both the Corporation and the Restricted Stockholder.

Section 3.8 – Tax Withholding

The Corporation shall be entitled to require payment in cash or deduction from other compensation payable to the Restricted Stockholder of any sums required by federal, state or local tax law to be withheld with respect to the issuance, vesting, lapse of Restrictions or payment of the Restricted Stock. Notwithstanding any other provision of this Agreement, the number of shares of Common Stock which may be sold or withheld with respect to the issuance, vesting, lapse of Restrictions or payment of the Restricted Stock (or which may be repurchased from the Restricted Stockholder) in order to satisfy the Restricted Stockholder's federal and state income and payroll tax liabilities with respect to the issuance, vesting, lapse of Restrictions or payment of the Restricted Stock shall be limited to the number of shares which have a fair market value on the date of withholding or repurchase equal to the aggregate amount of such liabilities up to the maximum statutory withholding rates for federal and state tax income and payroll tax purposes that are applicable to such supplemental taxable income.

Section 3.9 – Not a Contract of Service Relationship

Nothing in this Agreement shall confer upon the Restricted Stockholder any right to continue in the service of the Corporation, or shall interfere in any way the rights of the Corporation, which are hereby expressly reserved, to discharge the Restricted Stockholder at any time for any reason whatsoever, with or without cause (except to the extent expressly provided in a written agreement between the Corporation and the Restricted Stockholder).

Section 3.10 – Governing Law; Arbitration

This Agreement shall be governed by, and construed and enforced in accordance with the laws of the State of Nevada, without regard to its choice-of-laws or conflicts-of-law rules. All claims, disputes and other matters in question arising out of, or relating to, this Agreement or the performance hereof, shall be submitted to, and determined by, arbitration if good faith negotiations among the parties hereto, if any, do not resolve such claim, dispute or other matter. Such arbitration shall proceed in accordance with the then-current rules for arbitration established by Judicial Arbitration Mediation Services, Inc./ENDISPUTE (“JAMS”), unless the parties hereto mutually agree otherwise, and pursuant to the following procedures: (a) the Corporation on the one hand and Restricted Stockholder on the other hand shall appoint an arbitrator from the JAMS panel of retired judges, and those party-appointed arbitrators shall appoint a third arbitrator from the JAMS panel of retired judges within ten (10) days; if the party-appointed arbitrators fail to appoint a third arbitrator within the ten (10) days, such third arbitrator shall be appointed by JAMS in accordance with its rules; (b) reasonable discovery shall be allowed in arbitration; (c) all proceedings before the arbitrators shall be held in Orange County, California; (d) the award rendered by the arbitrators shall be final and binding, and judgment may be entered in accordance with applicable law and in any court having jurisdiction thereof; (e) the award rendered by the arbitrators shall include (i) a provision that the prevailing party in such arbitration recover its costs relating to the arbitration and reasonable attorneys’ fees from the other party, (ii) the amount of such costs and fees, and (iii) an order that the losing party pay the fees and expenses of the arbitrators. The arbitrator shall by the agreement of the parties expressly be prohibited from awarding punitive damages in connection with any claim being resolved by arbitration hereunder.

Section 3.11 – Code Section 409A

(a) To the extent applicable, this Agreement shall be interpreted in accordance with Internal Revenue Code Section 409A, together with Department of Treasury regulations and other official guidance promulgated thereunder (“**Section 409A**”). Notwithstanding any provision of this Agreement to the contrary, if the Corporation determines that any compensation or benefits payable under this Agreement may not be either compliant with or exempt from Section 409A, the Corporation may adopt such amendments to this Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take such other actions, that the Corporation determines are necessary or appropriate to avoid the imposition of taxes under Section 409A, including without limitation, actions intended to (i) exempt the compensation and benefits payable under this Agreement from Section 409A, and/or (ii) comply with the requirements of Section 409A; *provided, however*, that (A) no such action shall be taken without the Restricted Stockholder’s written consent to the extent that any such action would adversely affect such the Restricted Stockholder’s rights hereunder, and (ii) this Section 3.11(a) shall not create any obligation on the part of the Corporation or any of its affiliates to adopt any such amendment, policy or procedure or take any such other action, nor shall the Corporation or any of its affiliates have any liability for failing to do so.

(b) Any right to a series of installment payments pursuant to this Agreement is to be treated as a right to a series of separate payments. To the extent permitted under Section 409A, any separate payment or benefit under this Agreement or otherwise shall not be deemed “nonqualified deferred compensation” subject to Section 409A to the extent provided in the exceptions in Treasury Regulation Section 1.409A-1(b)(4), Section 1.409A-1(b)(9) or any other applicable exception or provision of Section 409A. All payments of nonqualified deferred compensation subject to Section 409A to be made upon a termination of employment under this Agreement may only be made upon the Restricted Stockholder’s “separation from service” from the Corporation (within the meaning of Section 409A).

(c) Notwithstanding anything to the contrary in this Agreement, no amounts shall be paid to Restricted Stockholder [or Contractor] under this Agreement during the six-month period following Restricted Stockholder’s “separation from service” (within the meaning of Section 409A) to the extent that paying such amounts at the time or times indicated in this Agreement would result in a prohibited distribution under Section 409A(a)(2)(b)(i). If the payment of any such amounts is delayed as a result of the previous sentence, then on the first business day following the end of such six-month period (or such earlier date upon which such amount can be paid under Section 409A without resulting in a prohibited distribution, including as a result of the Restricted Stockholder’s death), the Restricted Stockholder shall receive payment of a lump-sum amount equal to the cumulative amount that would have otherwise been payable to the Restricted Stockholder during such six-month period without interest thereon.

5.1 Investment Purpose. Buyer is acquiring the Securities for its own account for investment only and not with a view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered or exempted under the Securities Act; provided, however, that by making the representations herein, Buyer reserves the right to dispose of the Securities at any time in accordance with or pursuant to an effective registration statement covering such Securities or an available exemption under the Securities Act. The Buyer acknowledges that a legend will be placed on the certificates representing the Securities in the following form:

THESE SECURITIES HAVE NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE AND ARE “RESTRICTED SECURITIES” AS THAT TERM IS DEFINED IN RULE 144 UNDER THE SECURITIES ACT. SUCH SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT AND THE APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER, THE AVAILABILITY OF WHICH IS TO BE ESTABLISHED TO THE REASONABLE SATISFACTION OF COUNSEL TO THE ISSUER.

5.2 Accredited Investor Status. Buyer is an “accredited investor” as that term is defined in Rule 501(a) of Regulation D, as promulgated under the Securities Act.

5.3 Reliance on Exemptions. Buyer understands that the Securities are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities Laws and that the Company is relying in part upon the truth and accuracy of, and Buyer’s compliance with, the representations, warranties, agreements, acknowledgments and understandings of Buyer set forth herein in order to determine the availability of such exemptions and the eligibility of Buyer to acquire the Securities.

5.4 Information. Buyer and its advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and other information Buyer deemed material to making an informed investment decision regarding its purchase of the Securities, which have been requested by Buyer. Buyer acknowledges that it has received and reviewed a copy of the SEC Documents. Buyer and its advisors, if any, have been afforded the opportunity to ask questions of the Company and its management. Neither such inquiries, nor any other due diligence investigations conducted by any Buyer or its advisors, if any, or its representatives, shall modify, amend or affect Buyer’s right to rely on the Company’s and Operating Sub’s representations and warranties contained in Article VI below. Buyer understands that its investment in the Securities involves a high degree of risk. Buyer is in a position regarding the Company, which, based upon employment, family relationship or economic bargaining power, enabled and enables such Buyer to obtain information from the Company in order to evaluate the merits and risks of this investment. Buyer has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Securities.

5.5 No Governmental Review. Buyer understands that no United States federal or state Governmental Authority has passed on or made any recommendation or endorsement of the Securities, or the fairness or suitability of the investment in the Securities, nor have such Governmental Authorities passed upon or endorsed the merits of the offering of the Securities.

5.6 Authorization, Enforcement. This Agreement has been duly and validly authorized, executed and delivered on behalf of Buyer and is a valid and binding agreement of Buyer, enforceable in accordance with its terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors’ rights and remedies.

5.7 General Solicitation. The Buyer is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement. The Buyer and its affiliates agree to (i) waive any and all antidilution rights related to its debt and equity in the Company (other than (x) any antidilution rights set forth in the Transaction Documents, which, for the avoidance of doubt shall apply only after the Second Closing and (y) any antidilution rights set forth in those certain warrants to purchase Common Stock issued by the Company in connection with the issuance of the Company's Series B Preferred Stock) and (ii) as promptly as practicable after the Initial Closing and prior to the Second Closing, but, in any case, subject to the conversion by all other holders of their shares of preferred stock into Common Stock, convert such securities into Common Stock pursuant to the terms of such securities in place immediately prior to the Initial Closing.

5.9 Management. Buyer acknowledges receipt of the Restricted Stock Agreements entered into as of the date hereof between the Company and the Restricted Stockholders signatory thereto. Buyer agrees to cause the Company to provide, to each Restricted Stockholder, for so long as such party remains employed or engaged for services by the Company, (i) a base salary and compensation that is not less than what was provided immediately prior to the Initial Closing Date and (ii) employee and fringe benefits (including health, welfare, and retirement benefits) that are no less favorable, in the aggregate, as those provided to such party immediately prior to the Initial Closing. Notwithstanding the foregoing, nothing herein shall prevent the Company from terminating the employment or engagement of any such party at any time following the Initial Closing, subject to the terms of such party's agreements with the Company, including the Restricted Stock Agreements.

5.10 Directors. Buyer represents that each Emerald Designee satisfies the corporate governance guidelines of the Company required of directors of the Company and shall not otherwise be restricted from serving on the board of directors of a U.S. public company.

Except as set forth and disclosed in the Company's disclosure schedules ("**Disclosure Schedules**") attached to this Agreement and made a part hereof and as described in or filed with the SEC Documents (as defined below), the Company and Operating Sub jointly and severally make the following representations and warranties to the Buyer. The Disclosure Schedules shall be arranged in sections corresponding to the numbered and lettered sections and subsections contained in this Article VI and certain other sections of this Agreement, and the disclosures in any section or subsection of the Disclosure Schedules shall qualify other sections and subsections in this Article VI only to the extent it is readily apparent from a reading of the disclosure that such disclosure is applicable to such other sections and subsections.

6.1 Subsidiaries. Except for a one hundred percent (100%) ownership in Operating Sub, the Company has no subsidiaries and the Company does not own, directly or indirectly, any outstanding voting securities of or other interests in, or have any control over, any other Person. 6.3 Authority and Approval of Agreement; Binding Effect. The execution and delivery by Company of this Agreement and the Transaction Documents, and the performance by Company of all of its Obligations hereunder and thereunder, including the issuance of the Securities, have been duly and validly authorized and approved by Company and its board of directors pursuant to all applicable Laws and no other corporate action or Consent on the part of Company, its board of directors, stockholders or any other Person is necessary or required by the Company to execute this Agreement and the Transaction Documents, consummate the transactions contemplated herein and therein, perform all of Company's Obligations hereunder and thereunder, or to issue the Securities. This Agreement and each of the Transaction Documents have been duly and validly executed by Company (and the officer executing this Agreement and all such other Transaction Documents is duly authorized to act and execute same on behalf of Company) and constitute the valid and legally binding agreements of Company, enforceable against Company in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

(c) Matters With Respect to Securities and Transfer Agent

(i) Removal of Restrictive Legends. In the event that any Buyer has any shares of the Company's Common Stock bearing any restrictive legends, and such Buyer, through its counsel or other representatives, submits to the Company's transfer agent ("**Transfer Agent**") any such shares for the removal of the restrictive legends thereon, whether in connection with a sale of such shares pursuant to any exemption to the registration requirements under the Securities Act, or otherwise, and the Company and or its counsel refuses or fails for any reason (except to the extent that such refusal or failure is based solely on applicable Law that would prevent the removal of such restrictive legends) to render an opinion of counsel or any other documents or certificates required for the removal of the restrictive legends, then the Company hereby agrees and acknowledges that such Buyer is hereby irrevocably and expressly authorized to have counsel to such Buyer render any and all opinions and other certificates or instruments which may be required for purposes of removing such restrictive legends, and the Company hereby irrevocably authorizes and directs the Transfer Agent to, without any further confirmation or instructions from the Company, issue any such shares without restrictive legends as instructed by such Buyer, and surrender to a common carrier for overnight delivery to the address as specified by such Buyer, certificates, registered in the name of such Buyer or its designees, representing the shares of Common Stock to which such Buyer is entitled, without any restrictive legends and otherwise freely transferable on the books and records of the Company.

(ii) Authorized Agent of the Company. The Company hereby irrevocably appoints Buyer and Buyer's counsel and its representatives, each as the Company's duly authorized agent and attorney-in-fact for the Company for the purposes of authorizing and instructing the Transfer Agent to process issuances, transfers and legend removals upon instructions from Buyer, or any counsel or representatives of Buyer, consistent with this Section 7.3(c). The authorization and power of attorney granted hereby is coupled with an interest and is irrevocable so long as any Buyer owns or has the right to receive, any shares of the Company's Common Stock hereunder. In this regard, the Company hereby confirms to the Transfer Agent and Buyer that it can NOT and will NOT give instructions, including stop orders or otherwise, inconsistent with the terms of this Section 7.3(c) with regard to the matters contemplated herein, and that Buyer shall have the absolute right to provide a copy of this Agreement to the Transfer Agent as evidence of the Company's irrevocable authority for Buyer and Transfer Agent to process issuances, transfers and legend removals upon instructions from Buyer, or any counsel or representatives of Buyer, in each case as specifically contemplated in this Section 7.3(c), without any further instructions, orders or confirmations from the Company. In addition, if requested by any Buyer, the Company agrees to use its best good faith efforts to get an agreement executed by the Transfer Agent, reasonably acceptable to Buyer, pursuant to which the Transfer Agent agrees and confirms that it will act in accordance with the terms of this Section 7.3(c).

(iii) Injunction and Specific Performance. The Company specifically acknowledges and agrees that in the event of a breach or threatened breach by the Company of any provision of this Section 7.3(c), Buyer will be irreparably damaged and that damages at law would be an inadequate remedy if this Agreement were not specifically enforced. Therefore, in the event of a breach or threatened breach of any provision of this Section 7.3(c) by the Company, Buyer shall be entitled to obtain, in addition to all other rights or remedies such Buyer may have, at law or in equity, an injunction restraining such breach, without being required to show any actual damage or to post any bond or other security, and/or to a decree for specific performance of the provisions of this Section 7.3(c).

(d) Financial Information. The financial statements of the Company to be included in any documents filed with the SEC will be prepared in accordance with GAAP, consistently applied (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may not include footnotes, may be condensed or summary statements or may conform to the SEC's rules and instructions for Reports on Form 10-Q), and will fairly present in all material respects the consolidated financial position of the Company and consolidated results of its operations and cash flows as of, and for the periods covered by, such financial statements (subject, in the case of unaudited statements, to normal and recurring year-end audit adjustments).

7.4 Preemptive Rights.

(a) If, at any time during a period of 36 months commencing on the Closing Date, the Company offers to sell Covered Securities (as defined below) in a public or private offering of Covered Securities for cash (a "**Qualified Offering**"), the Buyer shall be afforded the opportunity to acquire from the Company, for the same price and on the same terms as such Covered Securities are offered, in the aggregate up to the amount of Covered Securities required to enable it to maintain its Qualified Buyer Percentage Interest (measured immediately prior to such offering). "**Qualified Buyer Percentage Interest**" means, as of any date of determination, the percentage equal to (i) the number of shares of Common Stock then held by such Buyer as of the date of determination, divided by (ii) the total number of outstanding shares of Common Stock as of such date. "**Covered Securities**" means Common Stock and any rights, options or warrants to purchase or securities convertible into or exercisable or exchangeable for Common Stock, other than securities that are (A) issuable upon the exercise or conversion of any securities of the Company issued and outstanding as of the date hereof; or (B) issued by the Company pursuant to any employment contract, employee incentive or benefit plan, stock purchase plan, stock ownership plan, stock option or equity compensation plan or other similar plan approved by the Company's board of directors where stock is being issued or offered to a trust, other entity to or for the benefit of any employees, consultants, officers or directors of the Company.

(b) Prior to making any Qualified Offering of Covered Securities, the Company shall give the Buyer written notice of its intention to make such an offering, describing, to the extent then known, the anticipated amount of securities, and other material terms then known to the Company upon which the Company proposes to offer the same (such notice, a **“Qualified Offering Notice”**). The Company shall deliver such notice only to the individuals identified on such Buyer’s signature page hereto, and shall not communicate the information to anyone else acting on behalf of the Buyer without the consent of one of the designated individuals. The Buyer shall then have 10 days after receipt of the Qualified Offering Notice (the **“Offer Period”**) to notify the Company in writing that it intends to exercise such preemptive right and as to the amount of Covered Securities the Buyer desires to purchase, up to the maximum amount calculated pursuant to Section 7.4(a) (the **“Designated Securities”**). Such notice constitutes a non-binding indication of interest of such Buyer to purchase the amount of Designated Securities specified by such Buyer (or a proportionately lesser amount if the amount of Covered Securities to be offered in such Qualified Offering is subsequently reduced) at the price (or range of prices) established in the Qualified Offering and other terms set forth in the Company’s notice to it. The failure to respond during the Offer Period constitutes a waiver of such Buyer’s preemptive right in respect of such offering. The sale of the Covered Securities in the Qualified Offering, including any Designated Securities, shall be closed not later than 30 days after the end of the Offer Period. The Covered Securities to be sold to other investors in such Qualified Offering shall be sold at a price not less than, and upon terms no more favorable to such other investors than, those specified in the Qualified Offering Notice. If the Company does not consummate the sale of Covered Securities to other investors within such 30-day period, the right provided hereunder shall be revived and such securities shall not be offered unless first reoffered to the Buyer in accordance herewith. Notwithstanding anything to the contrary set forth herein and unless otherwise agreed by the Buyer, by not later than the end of such 30-day period, the Company shall either confirm in writing to the Buyer that the Qualified Offering has been abandoned or shall publicly disclose its intention to issue the Covered Securities in the Qualified Offering, in either case in such a manner that the Buyer will not be in possession of any material, non-public information thereafter.

(c) If the Buyer exercises its preemptive right provided in this Section 7.4 with respect to a Qualified Offering, the Company shall offer and sell such Buyer, if any such offering is consummated, the Designated Securities (as adjusted, upward to reflect the actual size of such offering when priced) at the same price as the Covered Securities are offered to third persons (not including the underwriters or the initial purchasers in a Rule 144A offering that is being reoffered by the initial purchasers) in such offering and shall provide written notice of such price upon the determination of such price.

(d) In addition to the pricing provision of Section 7.4(c), the Company will offer and sell the Designated Securities to the Buyer upon terms and conditions not less favorable than the most favorable terms and conditions offered to other persons or entities in a Qualified Offering.

7.5 Antidilution.

(a) If, at any time or from time to time after the Second Closing at which time the Buyer owns more than 10% of the Common Stock, on an as-converted basis, the Company issues, or in accordance with this Section 7.5 is deemed to have issued, Additional Shares of Stock at an effective net price to a third party (the “**Diluted Price**”) that is less than the Adjusted Purchase Price, then within ten Business Days of such issuance, the Company shall issue to Buyer an additional number of shares of Common Stock equal to the Make-Whole Number. If the Company in any manner grants or sells any Options or Convertible Securities and the lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Option or Convertible Security or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option is less than the Adjusted Purchase Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the granting or sale of such Option for such price per share. No further adjustment shall be made upon the actual issuance of such shares of Common Stock or of Convertible Securities upon the exercise of such Options or upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities.

(b) For purposes of this Section 7.5, the following defined terms shall have the following meanings:

“**Additional Shares of Stock**” shall mean all shares of Common Stock other than those issued or issuable: (i) in connection with any Approved Stock Plan, or (ii) upon exercise of any Options or Convertible Securities which are outstanding on the day immediately preceding the Closing Date; provided, that the terms of such Options or Convertible Securities are not amended, modified or changed on or after the Closing Date.

“**Adjusted Shares**” means the Shares purchased by a Buyer, as adjusted by the Company for any stock dividend, combination, split, recapitalization and the like with respect to the Shares occurring after the Closing Date.

“**Adjusted Purchase Price**” means \$0.10 per share of Common Stock, as adjusted by the Company for any stock dividend, combination, split, recapitalization and the like with respect to the Shares occurring after the Closing Date.

“**Aggregate Consideration**” shall mean: (1) to the extent it consists of cash, the net amount of cash received by the Company after deduction of any underwriting or similar commissions, compensation or concessions paid or allowed by the Company in connection with such issue or

sale; (2) to the extent it consists of property other than cash, the fair value of such property as determined by the Board of Directors of the Company; and (3) if shares of Common Stock or preferred stock are issued or sold together with other stock or securities or other assets of the Company for a consideration that covers both, the portion of the consideration so received that may be determined by the Board of Directors of the Company to be allocable to such shares of Common Stock or preferred stock.

“**Approved Stock Plan**” means any employee benefit plan which has been approved by the Board of Directors of the Company, pursuant to which the Company’s securities may be issued to any employee, officer or director for services provided to the Company.

“**Convertible Securities**” means any stock or securities (other than Options) directly or indirectly convertible into or exercisable or

exchangeable for shares of Common Stock.

“**Make-Whole Number**” means, as to any Buyer, (1) the quotient of the Purchase Price divided by the Diluted Price multiplied by (2) the Adjusted Shares, minus (2) the Adjusted Shares.

“**Options**” means any rights, warrants or options to subscribe for or purchase shares of Common Stock or Convertible Securities.

7.6 **Lock-Up.** From the date hereof until 60 days after the Initial Closing Date, unless this Section 7.6 is waived by the Buyer in writing, neither the Company nor any subsidiary shall issue, enter into any agreement to issue or announce the issuance or proposed issuance of any shares of Common Stock or other securities exercisable or exchangeable for or convertible into shares of Common Stock, other than an Exempt Issuance. For purposes of this Section 7.6, an “**Exempt Issuance**” shall mean the issuance of (a) shares of Common Stock or options to employees, officers or directors of the Company pursuant to any stock or option plan duly adopted for such purpose, by a majority of the non-employee members of the Board of Directors of the Company or a majority of the members of a committee of non-employee directors established for such purpose, (b) securities upon the exercise or exchange of or conversion of any Securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding on the date of this Agreement, provided that such securities have not been amended since the date of this Agreement to increase the number of such securities or to decrease the exercise price, exchange price or conversion price of such securities, and (c) securities issued pursuant to acquisitions or strategic transactions approved by a majority of the disinterested directors of the Company, provided that any such issuance shall only be to a Person (or to the equityholders of a Person) which is, itself or through its subsidiaries, an operating company or an asset in a business synergistic with the business of the Company and shall provide to the Company additional benefits in addition to the investment of funds, but shall not include a transaction in which the Company is issuing securities primarily for the purpose of raising capital or to an entity whose primary business is investing in securities; *provided*, that the number of shares of Common Stock issued or issuable pursuant to Exempt Issuances may not exceed 500,000 shares of Common Stock in the aggregate.

7.7 **Use of Proceeds.** The Company shall use the net proceeds from the sale of the Securities for general corporate purposes, including general and administrative expenses, and for the repayment of any outstanding Indebtedness of the Company or any of its subsidiaries as may be approved by the Board of Directors of the Company.

7.8 Fees and Expenses. The Company agrees to pay to Buyer (or any designee or agent of the Buyer), upon demand, or to otherwise be responsible for the payment of, any and all costs, fees, charges and expenses, including the reasonable fees, costs, expenses and of any experts and agents, which the Buyer may incur or which may otherwise be due and payable in connection with: (i) the negotiation, preparation, execution, delivery and performance of this Agreement or any other Transaction Documents, (ii) any documentary stamp taxes, intangibles taxes, recording fees, filing fees, or other similar taxes, fees or charges imposed by or due to any Governmental Authority in connection with this Agreement or any other Transaction Documents; (iii) the exercise or enforcement of any of the rights of any Buyer under this Agreement or the Transaction Documents; or (iv) the failure by the Company to perform or observe any of the provisions of this Agreement or any of the Transaction Documents. The Company agrees at the Initial Closing to pay counsel for the Buyer its fees together with reasonable costs, such legal fees not to exceed \$25,000 in the aggregate. The provisions of this Subsection shall survive the termination of this Agreement. Notwithstanding anything to the contrary herein, any fees and expenses that Buyer is entitled to pursuant to this Section 7.7 shall be reimbursed by the Company from the proceeds at the Closing.

ARTICLE VIII

In consideration of the Buyer's execution and delivery of this Agreement and acquiring the Securities hereunder, and in addition to all of the Company's other obligations under this Agreement, the Company hereby agrees to defend and indemnify Buyer and Buyer's Affiliates and subsidiaries, and their respective directors, officers, employees, agents and representatives, and the successors and assigns of each of them (collectively, the "**Buyer Indemnified Parties**") and the Company does hereby agree to hold the Buyer Indemnified Parties harmless, from and against any and all Claims made, brought or asserted against the Buyer Indemnified Parties, or any one of them, and the Company hereby agrees to pay or reimburse the Buyer Indemnified Parties for any and all Claims payable by any of the Buyer Indemnified Parties to any Person, including reasonable attorneys' and paralegals' fees and expenses, court costs, settlement amounts, costs of investigation and interest thereon from the time such amounts are due at the highest non-usurious rate of interest permitted by applicable Law, through all negotiations, mediations, arbitrations, trial and appellate levels, as a result of, or arising out of, or relating to: (i) any misrepresentation or breach of any representation or warranty made by the Company in this Agreement, the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby; (ii) any breach of any covenant, agreement or Obligation of the Company contained in this Agreement, the Transaction Documents or any other certificate, instrument or

The parties hereby agree as follows:

1. Certain Definitions. As used in this Agreement, the following terms shall have the following meanings:

“**Business Day**” means any day other than a Saturday, Sunday or a day which is a Federal legal holiday in the U.S.

“**Common Stock**” means the Company’s common stock, par value \$0.001 per share, and any securities into which such shares may hereinafter be reclassified.

“**Prospectus**” means (i) the prospectus included in any Registration Statement, as amended or supplemented by any prospectus

supplement, with respect to the terms of the offering of any portion of the Registrable Securities covered by such Registration Statement and by all other amendments and supplements to the prospectus, including post-effective amendments and all material incorporated by reference in such prospectus, and (ii) any “free writing prospectus” as defined in Rule 405 under the 1933 Act.

“**Register**,” “**registered**” and “**registration**” refer to a registration made by preparing and filing a Registration Statement or similar document in compliance with the 1933 Act (as defined below), and the declaration or ordering of effectiveness of such Registration Statement or document.

“**Registrable Securities**” means (i) the Shares, (ii) the Warrant Shares, and (iii) any other securities issued or issuable with respect to or in exchange for Registrable Securities, whether by merger, charter amendment or otherwise; provided, that, a security shall cease to be a Registrable Security upon sale pursuant to a Registration Statement or Rule 144 under the 1933 Act.

“Registration Statement” means any registration statement of the Company filed under the 1933 Act (including a post-effective amendment to a previously filed registration statement) that covers the resale of any of the Registrable Securities pursuant to the provisions of this Agreement, amendments and supplements to such Registration Statement, including post-effective amendments, all exhibits and all material incorporated by reference in such Registration Statement.

“SEC” means the U.S. Securities and Exchange Commission.

“Shares” means the 25,000,000 shares of Common Stock to be issued pursuant to the Purchase Agreement.

“**1933 Act**” means the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

“**1934 Act**” means the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

2. Registration.

(a) Registration Statements.

(i) Promptly following the final closing date of the transactions contemplated by the Purchase Agreement (the “**Closing Date**”) but no later than February 17, 2018 (the “**Filing Deadline**”), the Company shall prepare and file with the SEC one Registration Statement on Form S-1 (or, if Form S-1 is not then available to the Company, on such form of registration statement as is then available to effect a registration for resale of the Registrable Securities), or a post-effective amendment to a previously filed registration statement on Form S-1, covering the resale of the Registrable Securities. Subject to any SEC comments, such Registration Statement shall include the plan of distribution attached hereto as Exhibit A; provided, however, that no Investor shall be named as an “underwriter” in the Registration Statement without the Investor’s prior written consent. Such Registration Statement also shall cover, to the extent allowable under the 1933 Act and the rules promulgated thereunder (including Rule 416), such indeterminate number of additional shares of Common Stock resulting from stock splits, stock dividends or similar transactions with respect to the Registrable Securities. The Registration Statement (and each amendment or supplement thereto, and each request for acceleration of effectiveness thereof) shall be provided in accordance with Section 3(c) to the Investor and its counsel prior to its filing or other submission. Such payments shall constitute the Investor’s exclusive monetary remedy for such events, but shall not affect the right of the Investor to seek injunctive relief. Such payments shall be made to each Investor in cash no later than three (3) Business Days after the end of each 30-day period.

(ii) S-3 Qualification. As soon as reasonably practicable following the date upon which the Company becomes eligible to use a registration statement on Form S-3 to register the Registrable Securities for resale (the “**Qualification Date**”), the Company shall file a registration statement on Form S-3 covering the Registrable Securities (or a post-effective amendment on Form S-3 to the registration statement on Form S-1) (a “**Shelf Registration Statement**”) and shall use commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective as promptly as practicable thereafter.

(b) Expenses. The Company will pay all expenses associated with each registration, including filing and printing fees, the Company’s counsel and accounting fees and expenses, costs associated with clearing the Registrable Securities for sale under applicable state securities laws, listing fees, reasonable fees and expenses of counsel to the Investor and the Investor’s reasonable expenses in connection with the registration, but excluding discounts, commissions, fees of underwriters, selling brokers, dealer managers or similar securities industry professionals with respect to the Registrable Securities being sold.

(c) Effectiveness.

(i) The Company shall use commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable. The Company shall notify the Investor by facsimile or e-mail as promptly as practicable, and in any event, within twenty-four (24) hours, after any Registration Statement is declared effective and shall simultaneously provide the Investor with copies of any related Prospectus to be used in connection with the sale or other disposition of the securities covered thereby. If (A) a Registration Statement covering the Registrable Securities is not declared effective by the SEC prior to the earlier of (i) five (5) Business Days after the SEC shall have informed the Company that no review of the Registration Statement will be made or that the SEC has no further comments on the Registration Statement or (ii) May 18, 2018 or (B) a Registration Statement has been declared effective by the SEC but sales cannot be made pursuant to such Registration Statement for any reason (including without limitation by reason of a stop order, or the Company’s failure to update the Registration Statement), but excluding any Allowed Delay (as defined below)

or the inability of Investor to sell the Registrable Securities covered thereby due to market conditions, then the Company will make pro rata payments to each Investor, as liquidated damages and not as a penalty, in an amount equal to 1.5% of the aggregate amount invested by Investor for each 30-day period or pro rata for any portion thereof following the date by which such Registration Statement should have been effective (the “**Blackout Period**”). Such payments shall constitute the Investor’s exclusive monetary remedy for such events, but shall not affect the right of the Investor to seek injunctive relief. The amounts payable as liquidated damages pursuant to this paragraph shall be paid monthly within three (3) Business Days of the last day of each 30-day period following the commencement of the Blackout Period until the termination of the Blackout Period. Such payments shall be made to each Investor in cash.

(ii) Notwithstanding anything herein to the contrary, the Company may suspend the use of any Prospectus included in any Registration Statement contemplated by this Section in the event that the Company determines in good faith that such suspension is necessary to (A) delay the disclosure of material non-public information concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company, in the best interests of the Company or (B) amend or supplement the affected Registration Statement or the related Prospectus so that such Registration Statement or Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus in light of the circumstances under which they were made, not misleading (an “**Allowed Delay**”); provided, that the Company shall promptly (a) notify each Investor in writing of the commencement of and the reasons for an

Allowed Delay, but shall not (without the prior written consent of Investor) disclose to Investor any material non-public information giving rise to an Allowed Delay, (b) advise the Investor in writing to cease all sales under the Registration Statement until the end of the Allowed Delay and (c) use commercially reasonable efforts to terminate an Allowed Delay as promptly as practicable.

(d) **Rule 415: Cutback** If at any time the SEC takes the position that the offering of some or all of the Registrable Securities in a Registration Statement (alone or together with previously or subsequently registered shares of Common Stock) is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the 1933 Act or requires Investor to be named as an “underwriter”, the Company shall use its best efforts to persuade the SEC that the offering contemplated by the Registration Statement is a valid secondary offering and not an offering “by or on behalf of the issuer” as defined in Rule 415 and that the Investor is not an “underwriter”. The Investor shall have the right to participate or have its counsel participate in any meetings or discussions with the SEC regarding the SEC’s position (unless in the reasonable opinion of the Company or its counsel, such participation will be to the detriment to the Company in that it may cause undue delays in the registration process or for other reasons) and to comment or have their counsel comment on any written submission made to the SEC with respect thereto. No such written submission shall be made to the SEC to which the Investor’s counsel reasonably objects. In the event that, despite the Company’s best efforts and compliance with the terms of this Section 2(d), the SEC refuses to alter its position, the Company shall (i) remove from the Registration Statement such portion of the Registrable Securities (the “**Cut Back Shares**”) and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the SEC may require to assure the Company’s compliance with the requirements of Rule 415 (collectively, the “**SEC Restrictions**”); provided, however, that the Company shall not agree to name Investor as an “underwriter” in such Registration Statement without the prior written consent of Investor. No liquidated damages shall accrue as to any Cut Back Shares until such date as the Company is able to effect the registration of such Cut Back Shares in accordance with any SEC Restrictions (such date, the “**Restriction Termination Date**” of such Cut Back Shares). From and after the Restriction Termination Date applicable to any Cut Back Shares, all of the provisions of this Section 2 (including the liquidated damages provisions) shall again be applicable to such Cut Back Shares; provided, however, that (i) the Filing Deadline and/or the Qualification Deadline, as applicable, for the Registration Statement including such Cut Back Shares shall be ten (10) Business Days after such Restriction Termination Date, and (ii) the date by which the Company is required to obtain effectiveness with respect to such Cut Back Shares under Section 2(c) shall be the 90th day immediately after the Restriction Termination Date.

3. Company Obligations. The Company will use commercially reasonable efforts to effect the registration of the Registrable Securities in accordance with the terms hereof, and pursuant thereto the Company will, as expeditiously as possible:

(a) cause such Registration Statement to become effective and to remain continuously effective for a period that will terminate upon the earlier of (i) the date on which all Registrable Securities covered by such Registration Statement as amended from time to time, have been sold, and (ii) the date on which all Registrable Securities covered by such Registration Statement may be sold without restriction pursuant to Rule 144 (the “**Effectiveness Period**”) and advise the Investor in writing when the Effectiveness Period has expired;

(b) prepare and file with the SEC such amendments and post-effective amendments to the Registration Statement and the Prospectus as may be necessary to keep the Registration Statement effective for the Effectiveness Period and to comply with the provisions of the 1933 Act and the 1934 Act with respect to the distribution of all of the Registrable Securities covered thereby;

(c) provide copies to and permit counsel designated by the Investor to review each Registration Statement and all amendments and supplements thereto no fewer than seven (7) days prior to their filing with the SEC and not file any document to which such counsel reasonably objects;

(d) furnish to the Investor and its legal counsel (i) promptly after the same is prepared and publicly distributed, filed with the SEC, or received by the Company (but not later than two (2) Business Days after the filing date, receipt date or sending date, as the case may be) one (1) copy of any Registration Statement and any amendment thereto, each preliminary prospectus and Prospectus and each amendment or supplement thereto, and each letter written by or on behalf of the Company to the SEC or the staff of the SEC, and each item of correspondence from the SEC or the staff of the SEC, in each case relating to such Registration Statement (other than any portion of any thereof which contains information for which the Company has sought confidential treatment), and (ii) such number of copies of a Prospectus, including a preliminary prospectus, and all amendments and supplements thereto and such other documents as each Investor may reasonably request in order to facilitate the disposition of the Registrable Securities owned by Investor that are covered by the related Registration Statement;

(e) use commercially reasonable efforts to (i) prevent the issuance of any stop order or other suspension of effectiveness and, (ii) if such order is issued, obtain the withdrawal of any such order at the earliest possible moment;

(f) prior to any public offering of Registrable Securities, use commercially reasonable efforts to register or qualify or cooperate with the Investor and its counsel in connection with the registration or qualification of such Registrable Securities for offer and sale under the securities or blue sky laws of such jurisdictions requested by the Investor and do any and all other commercially reasonable acts or things necessary or advisable to enable the distribution in such jurisdictions of the Registrable Securities covered by the Registration Statement; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (i) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(f), (ii) subject itself to general taxation in any jurisdiction where it would not otherwise be so subject but for this Section 3(f), or (iii) file a general consent to service of process in any such jurisdiction;

(g) use commercially reasonable efforts to cause all Registrable Securities covered by a Registration Statement to be listed on each securities exchange, interdealer quotation system or other market on which similar securities issued by the Company are then listed;

(h) immediately notify the Investor, at any time prior to the end of the Effectiveness Period, upon discovery that, or upon the happening of any event as a result of which, the Prospectus includes an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and promptly prepare, file with the SEC and furnish to such holder a supplement to or an amendment of such Prospectus as may be necessary so that such Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing; and

(i) otherwise use commercially reasonable efforts to comply with all applicable rules and regulations of the SEC under the 1933 Act and

the 1934 Act, including, without limitation, Rule 172 under the 1933 Act, file any final Prospectus, including any supplement or amendment thereof, with the SEC pursuant to Rule 424 under the 1933 Act, promptly inform the Investor in writing if, at any time during the Effectiveness Period, the Company does not satisfy the conditions specified in Rule 172 and, as a result thereof, the Investor is required to deliver a Prospectus in connection with any disposition of Registrable Securities and take such other actions as may be reasonably necessary to facilitate the registration of the Registrable Securities hereunder; and make available to its security holders, as soon as reasonably practicable, but not later than the Availability Date (as defined below), an earnings statement covering a period of at least twelve (12) months, beginning after the effective date of each Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the 1933 Act, including Rule 158 promulgated thereunder (for the purpose of this subsection 3(i), “**Availability Date**” means the 45th day following the end of the fourth fiscal quarter that includes the effective date of such Registration Statement, except that, if such fourth fiscal quarter is the last quarter of the Company’s fiscal year, “Availability Date” means the 90th day after the end of such fourth fiscal quarter).

(j) With a view to making available to the Investor the benefits of Rule 144 (or its successor rule) and any other rule or regulation of the SEC that may at any time permit the Investor to sell shares of Common Stock to the public without registration, the Company covenants and agrees to: (i) make and keep public information available, as those terms are understood and defined in Rule 144, until the earlier of (A) six months after such date as all of the Registrable Securities may be sold without restriction by the holders thereof pursuant to Rule 144 or any other rule of similar effect or (B) such date as all of the Registrable Securities shall have been resold; (ii) file with the SEC in a timely manner all reports and other documents required of the Company under the 1934 Act; (iii) furnish to each Investor upon request, as long as Investor owns any Registrable Securities, (A) a written statement by the Company that it has complied with the reporting requirements of the 1934 Act, (B) a copy of the Company’s most recent Annual Report on Form 10-K or Quarterly Report on Form 10-Q, and (C) such other information as may be reasonably requested in order to avail Investor of any rule or regulation of the SEC that permits the selling of any such Registrable Securities without registration; and (iv) use commercially reasonable efforts to assist each Investor with the removal of any legends required under Rule 144 under the 1933 Act, including with respect to any opinions required thereby, provided that the Company’s obligations hereunder are subject to the reasonable determination of the Company and the Company’s counsel that any such legend removal complies with the 1933 Act.

4. Due Diligence Review: Information. Upon written request, the Company shall make available, during normal business hours, for inspection and review by the Investor, advisors to and representatives of the Investor (who may or may not be affiliated with the Investor and who are reasonably acceptable to the Company), all financial and other records, all SEC Filings and other filings with the SEC, and all other corporate documents and properties of the Company as may be reasonably necessary for the purpose of such review, and cause the Company's officers, directors and employees, within a reasonable time period, to supply all such information reasonably requested by the Investor or any such representative, advisor or underwriter in connection with such Registration Statement (including, without limitation, in response to all questions and other inquiries reasonably made or submitted by any of them), prior to and from time to time after the filing and effectiveness of the Registration Statement for the sole purpose of enabling the Investor and such representatives, advisors and underwriters and their respective accountants and attorneys to conduct initial and ongoing due diligence with respect to the Company and the accuracy of such Registration Statement. As a condition to such inspection and review, the Company may require the Investor to enter into confidentiality agreements.

The Company shall not disclose material nonpublic information to the Investor, or to advisors to or representatives of the Investor, unless prior to disclosure of such information the Company identifies such information as being material nonpublic information and provides the Investor, such advisors and representatives with the opportunity to accept or refuse to accept such material nonpublic information for review and Investor enters into an appropriate confidentiality agreement with the Company with respect thereto.

5. Obligations of the Investor.

(a) Each Investor shall furnish in writing to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it, as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request. At least five (5) Business Days prior to the first anticipated filing date of any Registration Statement, the Company shall notify each Investor of the information the Company requires from Investor if Investor elects to have any of the Registrable Securities included in the Registration Statement. Investor shall provide such information to

the Company at least two (2) Business Days prior to the first anticipated filing date of such Registration Statement if Investor elects to have any of the Registrable Securities included in the Registration Statement.

(b) Each Investor, by its acceptance of the Registrable Securities agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of a Registration Statement hereunder, unless Investor has notified the Company in writing of its

election to exclude all of its Registrable Securities from such Registration Statement.

(c) Each Investor agrees that, upon receipt of any notice from the Company of either (i) the commencement of an Allowed Delay pursuant to Section 2(c)(ii) or (ii) the happening of an event pursuant to Section 3(h) hereof, Investor will immediately discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities, until the Investor is advised by the Company that such dispositions may again be made.

6. Indemnification.

(a) Indemnification by the Company. The Company will indemnify and hold harmless each Investor and its officers, directors, members, managers, employees and agents, successors and assigns, and each other person, if any, who controls Investor within the meaning of the 1933 Act, against any losses, claims, damages or liabilities, joint or several, to which they may become subject under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement or omission or alleged omission of any material fact contained in any Registration Statement, any preliminary Prospectus or final Prospectus, or any amendment or supplement thereof; (ii) any blue sky application or other document executed by the Company specifically for that purpose or based upon written information furnished by the Company filed in any state or other jurisdiction in order to qualify any or all of the Registrable Securities under the securities laws thereof (any such application, document or information herein called a “**Blue Sky Application**”); (iii) the omission or alleged omission to state in a Blue Sky Application a material fact required to be stated therein or necessary to make the statements therein not misleading; (iv) any violation by the Company or its agents of any rule or regulation promulgated under the 1933 Act applicable to the Company or its agents and relating to action or inaction required of the Company in connection with such registration; or (v) any failure to register or qualify the Registrable Securities included in any such Registration Statement in any state where the Company or its agents has affirmatively undertaken or agreed in writing that the Company will undertake such registration or qualification on Investor’s behalf and will reimburse Investor, and each such officer, director or member and each such controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by Investor or any such controlling person in writing specifically for use in such Registration Statement or Prospectus.

(b) Indemnification by the Investor. Each Investor agrees, severally but not jointly, to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors, officers, employees, stockholders and each person who controls the Company (within the meaning of the 1933 Act) against any losses, claims, damages, liabilities and expense (including reasonable attorney fees) resulting from any untrue statement of a material fact or any omission of a material fact required to be stated in the Registration Statement or Prospectus or preliminary Prospectus or amendment or supplement thereto or necessary to make the statements therein not misleading, to the extent, but only to the extent that such untrue statement or omission is contained in any information furnished in writing by Investor to the Company specifically for inclusion in such Registration Statement or Prospectus or amendment or supplement thereto. In no event shall the liability of Investor be greater in amount than the dollar amount of the proceeds (net of all expense paid by Investor in connection with any claim relating to this Section 6 and the amount of any damages Investor has otherwise been required to pay by reason of such untrue statement or omission) received by Investor upon the sale of the Registrable Securities included in the Registration Statement giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings. Any person entitled to indemnification hereunder shall (i) give prompt notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided that any person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such person unless (a) the indemnifying party has agreed to pay such fees or expenses, or (b) the indemnifying party shall have failed to assume the defense of such claim and employ counsel reasonably satisfactory to such person or (c) in the reasonable judgment of any such person, based upon written advice of its counsel, a conflict of interest exists between such person and the indemnifying party with respect to such claims (in which case, if the person notifies the indemnifying party in writing that such person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such person); and provided, further, that the failure of any indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations hereunder, except to the extent that such failure to give notice shall materially adversely affect the indemnifying party in the defense of any such claim or litigation. It is understood that the indemnifying party shall not, in connection with any proceeding in the same jurisdiction, be liable for fees or expenses of more than one separate firm of attorneys at any time for all such indemnified parties. No indemnifying party will, except with the consent of the indemnified party, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect of such claim or litigation.

(d) Contribution. If for any reason the indemnification provided for in the preceding paragraphs (a) and (b) is unavailable to an indemnified party or insufficient to hold it harmless, other than as expressly specified therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative fault of the indemnified party and the indemnifying party, as well as any other relevant equitable considerations. No person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the 1933 Act shall be entitled to contribution from any person not guilty of such fraudulent misrepresentation. In no event shall the contribution obligation of a holder of Registrable Securities be greater in amount than the dollar amount of the proceeds (net of all expenses paid by such holder in connection with any claim relating to this Section 6 and the amount of any damages such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission) received by it upon the sale of the Registrable Securities giving rise to such contribution obligation.

7. Miscellaneous.

(a) Amendments and Waivers. This Agreement may be amended only by a writing signed by the Company and the Investor. The Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company shall have obtained the written consent to such amendment, action or omission to act, of the Investor.

(b) Notices. All notices and other communications provided for or permitted hereunder shall be made as set forth in the Purchase Agreement.

(c) Assignments and Transfers by Investor. The provisions of this Agreement shall be binding upon and inure to the benefit of the

Investor and its respective successors and assigns. Investor may transfer or assign, in whole or from time to time in part, to one or more persons its rights hereunder in connection with the transfer of Registrable Securities by Investor to such person, provided that Investor complies with all laws applicable thereto and provides written notice of assignment to the Company promptly after such assignment is effected and agrees in writing to be bound by the terms hereof.

(d) Assignments and Transfers by the Company. This Agreement may not be assigned by the Company (whether by operation of law or otherwise) without the prior written consent of the Investor, provided, however, that in the event that the Company is a party to a merger, consolidation, share exchange or similar business combination transaction in which the Common Stock is converted into the equity securities of another Person, from and after the effective time of such transaction, such Person shall, by virtue of such transaction, be deemed to have assumed the obligations of the Company hereunder, the term "Company" shall be deemed to refer to such Person and the term "Registrable Securities" shall be deemed to include the securities received by the Investor in connection with such transaction unless such securities are otherwise freely tradable by the Investor after giving effect to such transaction.

(e) Benefits of the Agreement. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective permitted successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

(f) Counterparts; Faxes. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement may also be executed via facsimile, which shall be deemed an original.

(g) Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

(h) Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof but shall be interpreted as if it were written so as to be enforceable to the maximum extent permitted by applicable law, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, the parties hereby waive any provision of law which renders any provisions hereof prohibited or unenforceable in any respect.

(i) Further Assurances. The parties shall execute and deliver all such further instruments and documents and take all such other actions as may reasonably be required to carry out the transactions contemplated hereby and to evidence the fulfillment of the agreements herein contained.

(j) Entire Agreement. This Agreement is intended by the parties as a final expression of their agreement and intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein. This Agreement supersedes all prior agreements and understandings between the parties with respect to such subject matter.

(k) Governing Law; Consent to Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of California without regard to the choice of law principles thereof. Each of the parties hereto irrevocably submits to the exclusive jurisdiction of the courts of the State of California located in Orange County and the United States District Court for the Central District of California for the purpose of any suit, action, proceeding or judgment relating to or arising out of this Agreement and the transactions contemplated hereby. Service of process in connection with any such suit, action or proceeding may be served on each party hereto anywhere in the world by the same

methods as are specified for the giving of notices under this Agreement. Each of the parties hereto irrevocably consents to the jurisdiction of any such court in any such suit, action or proceeding and to the laying of venue in such court. Each party hereto irrevocably waives any objection to the laying of venue of any such suit, action or proceeding brought in such courts and irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. **EACH OF THE PARTIES HERETO WAIVES ANY RIGHT TO REQUEST A TRIAL BY JURY IN ANY LITIGATION WITH RESPECT TO THIS AGREEMENT AND REPRESENTS THAT COUNSEL HAS BEEN CONSULTED SPECIFICALLY AS TO THIS WAIVER.**

IN WITNESS WHEREOF, the parties have executed this Agreement or caused their duly authorized officers to execute this Agreement as of the date first above written.

Plan of Distribution

The selling stockholders, which as used herein includes donees, pledgees, transferees or other successors-in-interest selling shares of common stock or interests in shares of common stock received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of their shares of common stock or interests in shares of common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices,

at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices.

The selling stockholders may use any one or more of the following methods when disposing of shares or interests therein:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales effected after the date the registration statement of which this Prospectus is a part is declared effective by the SEC;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share; and
- a combination of any such methods of sale.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock, from time to time, under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer the shares of common stock in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

In connection with the sale of our common stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of our common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The aggregate proceeds to the selling stockholders from the sale of the common stock offered by them will be the purchase price of the common stock less discounts or commissions, if any. Each of the selling stockholders reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common stock to be made directly or through agents. We will not receive any of the proceeds from this offering.

The selling stockholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, provided that they meet the criteria and conform to the requirements of that rule.

The selling stockholders and any underwriters, broker-dealers or agents that participate in the sale of the common stock or interests therein may be “underwriters” within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. Selling stockholders who are “underwriters” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

To the extent required, the shares of our common stock to be sold, the names of the selling stockholders, the respective purchase prices and public offering prices, the names of any agents, dealer or underwriter, any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus.

In order to comply with the securities laws of some states, if applicable, the common stock may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. In addition, to the extent applicable we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

We have agreed to indemnify the selling stockholders against liabilities, including liabilities under the Securities Act and state securities laws, relating to the registration of the shares offered by this prospectus.

We have agreed with the selling stockholders to keep the registration statement of which this prospectus constitutes a part effective until the earlier of (1) such time as all of the shares covered by this prospectus have been disposed of pursuant to and in accordance with the registration statement or (2) the date on which the shares may be sold without restriction pursuant to Rule 144 of the Securities Act.

NEMUS BIOSCIENCE INC.

WARRANT TO PURCHASE COMMON STOCK

Warrant No.:

Number of Shares of Common Stock: _____

Date of Issuance: [], 2018 (“**Issuance Date**”)

Nemus Bioscience Inc., a Nevada corporation (the “**Company**”), hereby certifies that, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Emerald Health Sciences Inc., the registered holder hereof or its permitted assigns (the “**Holder**”), is entitled, subject to the terms set forth below, to purchase from the Company, at the Exercise Price (as defined below) then in effect, at any time or times on or after the Issuance Date, but not after 11:59 p.m., California time, on the Expiration Date, (as defined below), _____ (_____)¹ fully paid nonassessable shares of Common Stock of the Company, subject to adjustment as provided herein (the “**Warrant Shares**”). Except as otherwise defined herein, capitalized terms in this Warrant to Purchase Common Stock (including any Warrants to Purchase Common Stock issued in exchange, transfer or replacement hereof, this “**Warrant**”), shall have the meanings set forth in Section 17. This Warrant is one of the Warrants to purchase Common Stock (the “**SPA Warrants**”) issued pursuant to Section 2 of that certain Securities Purchase Agreement, dated as of [], 2018 (the “**Subscription Date**”), by and among the Company and the Holder (the “**Securities Purchase Agreement**”). Capitalized terms used herein and not otherwise defined shall have the definitions ascribed to such terms in the Securities Purchase Agreement.

1. EXERCISE OF WARRANT.

¹ Insert appropriate amount for First Warrant and Second Warrant.

2. Mechanics of Exercise. Subject to the terms and conditions hereof (including, without limitation, the limitations set forth in Section 1(f)), this Warrant may be exercised by the Holder at any time or times on or after the Issuance Date, in whole or in part, by (i) delivery of a written notice, in the form attached hereto as Exhibit A (the “**Exercise Notice**”), of the Holder’s election to exercise this Warrant and (ii) (A) payment to the Company of an amount equal to the applicable Exercise Price multiplied by the number of Warrant Shares as to which this Warrant is being exercised (the “**Aggregate Exercise Price**”) in cash, by check or by wire transfer of immediately available funds or (B) if the provisions of Section 1(d) are applicable, by notifying the Company that this Warrant is being exercised pursuant to a Cashless Exercise (as defined in Section 1(d)). The Holder shall not be required to deliver the original Warrant in order to effect an exercise hereunder. Execution and delivery of the Exercise Notice with respect to less than all of the Warrant Shares shall have the same effect as cancellation of the original Warrant and issuance of a new Warrant evidencing the right to purchase the remaining number of Warrant Shares. On or before the first (1st) Trading Day following the date on which the Company has received the Exercise Notice, the Company shall transmit by email an acknowledgment of confirmation of receipt of the Exercise Notice to the Holder and the Company’s transfer agent (the “**Transfer Agent**”). On or before the third (3rd) Trading Day following the date on which the Company has received the Exercise Notice, so long as the Holder delivers the Aggregate Exercise Price (or notice of a Cashless Exercise) on or prior to the second (2nd) Trading Day following the date on which the Company has received the Exercise Notice (the “**Share Delivery Date**”) (provided that if the Aggregate Exercise Price has not been delivered by such date, the Share Delivery Date shall be one (1) Trading Day after the Aggregate Exercise Price (or notice of a Cashless Exercise) is delivered), the Company shall (X) provided that the Transfer Agent is participating in The Depository Trust Company (“**DTC**”) Fast Automated Securities Transfer Program, credit such aggregate number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the Holder’s or its designee’s balance account with DTC through its Deposit / Withdrawal At Custodian system, or (Y) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and dispatch by overnight courier to the address as specified in the Exercise Notice, a certificate, registered in the Company’s share register in the name of the Holder or its designee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise. The Company shall be responsible for all fees and expenses of the Transfer Agent and all fees and expenses with respect to the issuance of Warrant Shares via DTC, if any. Upon delivery of the Exercise Notice, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder’s DTC account or the date of delivery of the certificates evidencing such Warrant Shares, as the case may be. If this Warrant is submitted in connection with any exercise pursuant to this Section 1(a) and the number of Warrant Shares represented by this Warrant submitted for exercise is greater than the number of Warrant Shares being acquired upon an exercise, then the Company shall as soon as practicable and in no event later than three (3) Trading Days after any exercise and at its own expense, issue a new Warrant (in accordance with Section 7(d)) representing the right to purchase the number of Warrant Shares issuable immediately prior to such exercise under this Warrant, less the number of Warrant Shares with respect to which this Warrant is exercised. No fractional Warrant Shares are to be issued upon the exercise of this Warrant, but rather the number of Warrant Shares to be issued shall be rounded up to the nearest whole number. The Company shall pay any and all taxes which may be payable with respect to the issuance and delivery of Warrant Shares upon exercise of this Warrant. The Company’s obligations to issue and deliver Warrant Shares in accordance with the terms and subject to the conditions hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination.

3. Exercise Price. For purposes of this Warrant, “**Exercise Price**” means \$0.10, subject to adjustment as provided herein.
4. Company’s Failure to Timely Deliver Securities. If the Company shall fail for any reason or for no reason to issue to the Holder on or prior to the Share Delivery Date either (I) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, a certificate for the number of shares of Common Stock to which the Holder is entitled and register such shares of Common Stock on the Company’s share register or if the Transfer Agent is participating in the DTC Fast Automated Securities Transfer Program, to credit the Holder’s balance account with DTC, for such number of shares of Common Stock to which the Holder is entitled upon the Holder’s exercise of this Warrant or (II) if the Registration Statement (as defined in the Registration Rights Agreement) covering the resale of all of the Warrant Shares that are the subject of the Exercise Notice (the “**Unavailable Warrant Shares**”) is not available for the resale of such Unavailable Warrant Shares and the Company fails to promptly, but in no event later than as required pursuant to the Registration Rights Agreement (x) so notify the Holder and (y) deliver the Warrant Shares electronically without any restrictive legend by crediting such aggregate number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the Holder’s or its designee’s balance account with DTC through its Deposit / Withdrawal At Custodian system (the event described in the immediately foregoing clause (II) is hereinafter referred as a “**Notice Failure**” and together with the event described in clause (I) above, an “**Exercise Failure**”), then, in addition to all other remedies available to the Holder, (X) the Company shall pay in cash to the Holder on each day after the Share Delivery Date and during such Exercise Failure an amount equal to 1.5% of the product of (A) the sum of the number of shares of Common Stock not issued to the Holder on or prior to the Share Delivery Date and to which the Holder is entitled, and (B) the Closing Sale Price of the Common Stock on the Share Delivery Date, and (Y) the Holder, upon written notice to the Company, may void its Exercise Notice with respect to, and retain or have returned, as the case may be, any portion of this Warrant that has not been exercised pursuant to such Exercise Notice; provided that the voiding of an Exercise Notice shall not affect the Company’s obligations to make any payments which have accrued prior to the date of such notice pursuant to this Section 1(c) or otherwise. In addition to the foregoing, if on or prior to the Share Delivery Date either (I) if the Transfer Agent is not participating in the DTC Fast Automated Securities Transfer Program, the Company shall fail to issue and deliver a certificate to the Holder and register such shares of Common Stock on the Company’s share register or, if the Transfer Agent is participating in the DTC Fast Automated Securities Transfer Program, credit the Holder’s balance account with DTC for the number of shares of Common Stock to which the Holder is entitled upon the Holder’s exercise hereunder or pursuant to the Company’s obligation pursuant to clause (ii) below or (II) a Notice Failure occurs, and if on or after such Trading Day the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by the Holder of shares of Common Stock issuable upon such exercise that the Holder anticipated receiving from the Company (a “**Buy-In**”), then the Company shall, within three (3) Trading Days after the Holder’s request and in the Holder’s discretion, either (i) pay cash to the Holder in an amount equal to the Holder’s total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (the “**Buy-In Price**”), at which point the Company’s obligation to deliver such certificate (and to issue such shares of Common Stock) or credit such Holder’s balance account with DTC for such shares of Common Stock shall terminate, or (ii) promptly honor its obligation to deliver to the Holder a certificate or certificates representing such shares of Common Stock or credit such Holder’s balance account with DTC, as applicable, and pay cash to the Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Common Stock, times (B) the Closing Bid Price of the Common Stock on the date of exercise. Nothing shall limit the Holder’s right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company’s failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) upon the exercise of this Warrant as required pursuant to the terms hereof.

5. Cashless Exercise. Notwithstanding anything contained herein to the contrary, if the Registration Statement covering the resale of the Unavailable Warrant Shares is not available for the resale of such Unavailable Warrant Shares, the Holder may, in its sole discretion, exercise this Warrant in whole or in part and, in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Aggregate Exercise Price, elect instead to receive upon such exercise the "Net Number" of shares of Common Stock determined according to the following formula (a "**Cashless Exercise**"):

$$\text{Net Number} = \frac{(A \times B) - (A \times C)}{D}$$

For purposes of the foregoing formula:

- A= the total number of shares with respect to which this Warrant is then being exercised.
- B= the arithmetic average of the Closing Sale Prices of the Common Stock for the five (5) consecutive Trading Days ending on the date immediately preceding the date of the Exercise Notice.
- C= the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.
- D= the Closing Sale Price of the Common Stock on the date of the Exercise Notice.

For purposes of Rule 144(d) promulgated under the 1933 Act, as in effect on the date hereof, it is intended that the Warrant Shares issued in a Cashless Exercise shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Securities Purchase Agreement.

6. Disputes. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall promptly issue to the Holder the number of Warrant Shares that are not disputed and resolve such dispute in accordance with Section 12.

7. Insufficient Authorized Shares. If at any time while this Warrant remains outstanding the Company does not have a sufficient number of authorized and unreserved shares of Common Stock to satisfy its obligation to reserve for issuance upon exercise of this Warrant at least a number of shares of Common Stock equal to 130% of the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of all of this Warrant then outstanding (the “**Required Reserve Amount**” and the failure to have such sufficient number of authorized and unreserved shares of Common Stock, an “**Authorized Share Failure**”), then the Company shall immediately take all action necessary to increase the Company’s authorized shares of Common Stock to an amount sufficient to allow the Company to reserve the Required Reserve Amount for this Warrant then outstanding. Without limiting the generality of the foregoing sentence, as soon as practicable after the date of the occurrence of an Authorized Share Failure, but in no event later than sixty (60) days after the occurrence of such Authorized Share Failure, the Company shall hold a meeting of its shareholders for the approval of an increase in the number of authorized shares of Common Stock. In connection with such meeting, the Company shall provide each shareholder with a proxy statement and shall use its best efforts to solicit its shareholders’ approval of such increase in authorized shares of Common Stock and to cause its board of directors to recommend to the shareholders that they approve such proposal. Notwithstanding the foregoing, if any such time of an Authorized Share Failure, the Company is able to obtain the written consent of a majority of the shares of its issued and outstanding Common Stock to approve the increase in the number of authorized shares of Common Stock, the Company may satisfy this obligation by obtaining such consent and submitting for filing with the the Securities and Exchange Commission (the “**SEC**”) an Information Statement on Schedule 14C. In the event that upon any exercise of this Warrant, the Company does not have sufficient authorized shares to deliver in satisfaction of such exercise, then the Holder may elect to void such attempted exercise.
8. ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF WARRANT SHARES. The Exercise Price and the number of Warrant Shares shall be adjusted from time to time as follows:
9. Adjustment Upon Issuance of Shares of Common Stock. If and whenever after the Second Closing Date (as defined in the Securities Purchase Agreement) the Company issues or sells, or in accordance with this Section 2 is deemed to have issued or sold, any shares of Common Stock (including the issuance or sale of shares of Common Stock owned or held by or for the account of the Company, but excluding shares of Common Stock deemed to have been issued or sold by the Company in connection with any Excluded Securities for a consideration per share (the “**New Issuance Price**”) less than a price (the “**Applicable Price**”) equal to the Exercise Price in effect immediately prior to such issue or sale or deemed issuance or sale (the foregoing a “**Dilutive Issuance**”), then immediately after such Dilutive Issuance, the Exercise Price then in effect shall be reduced to an amount equal to the New Issuance Price. Upon each such adjustment of the Exercise Price hereunder, the number of Warrant Shares issuable immediately prior to such Dilutive Issuance shall be adjusted to the number of shares of Common Stock determined by multiplying the Exercise Price then in effect immediately prior to such adjustment by the number of Warrant Shares acquirable upon exercise of this Warrant immediately prior to such adjustment and dividing the product thereof by the Exercise Price resulting from such adjustment. For purposes of determining the adjusted Exercise Price under this Section 2(a), the following shall be applicable:

10. (i) Issuance of Options. If after the Second Closing Date the Company in any manner grants or sells any Options and the lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Option or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the granting or sale of such Option for such price per share. For purposes of this Section 2(a)(i), the “lowest price per share for which one share of Common Stock is issuable upon the exercise of any such Options or upon conversion, exercise or exchange of any Convertible Securities issuable upon exercise of any such Option” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to any one share of Common Stock upon the granting or sale of the Option, upon exercise of the Option and upon conversion, exercise or exchange of any Convertible Security issuable upon exercise of such Option less any consideration paid or payable by the Company with respect to such one share of Common Stock upon the granting or sale of such Option, upon exercise of such Option and upon conversion exercise or exchange of any Convertible Security issuable upon exercise of such Option. No further adjustment of the Exercise Price or number of Warrant Shares shall be made upon the actual issuance of such shares of Common Stock or of such Convertible Securities upon the exercise of such Options or upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities.
11. (ii) Issuance of Convertible Securities. If after the Second Closing Date the Company in any manner issues or sells any Convertible Securities and the lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof is less than the Applicable Price, then such share of Common Stock shall be deemed to be outstanding and to have been issued and sold by the Company at the time of the issuance or sale of such Convertible Securities for such price per share. For the purposes of this Section 2(a)(ii), the “lowest price per share for which one share of Common Stock is issuable upon the conversion, exercise or exchange thereof” shall be equal to the sum of the lowest amounts of consideration (if any) received or receivable by the Company with respect to any one share of Common Stock upon the issuance or sale of the Convertible Security and upon conversion, exercise or exchange of such Convertible Security less any consideration paid or payable by the Company with respect to such one share of Common Stock upon the issuance or sale of such Convertible Security and upon conversion, exercise or exchange of such Convertible Security. No further adjustment of the Exercise Price or number of Warrant Shares shall be made upon the actual issuance of such shares of Common Stock upon conversion, exercise or exchange of such Convertible Securities, and if any such issue or sale of such Convertible Securities is made upon exercise of any Options for which adjustment of this Warrant has been or is to be made pursuant to other provisions of this Section 2(a), no further adjustment of the Exercise Price or number of Warrant Shares shall be made by reason of such issue or sale.

12. (iii) Change in Option Price or Rate of Conversion. If the purchase price provided for in any Options, the additional consideration, if any, payable upon the issue, conversion, exercise or exchange of any Convertible Securities, or the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for shares of Common Stock increases or decreases at any time, the Exercise Price and the number of Warrant Shares in effect at the time of such increase or decrease shall be adjusted to the Exercise Price and the number of Warrant Shares, which would have been in effect at such time had such Options or Convertible Securities provided for such increased or decreased purchase price, additional consideration or increased or decreased conversion rate, as the case may be, at the time initially granted, issued or sold. For purposes of this Section 2(a)(iii), if the terms of any Option or Convertible Security that was outstanding as of the Subscription Date are increased or decreased in the manner described in the immediately preceding sentence, then such Option or Convertible Security and the shares of Common Stock deemed issuable upon exercise, conversion or exchange thereof shall be deemed to have been issued as of the date of such increase or decrease. No adjustment pursuant to this Section 2(a) shall be made if such adjustment would result in an increase of the Exercise Price then in effect or a decrease in the number of Warrant Shares.
13. (iv) Calculation of Consideration Received. In case any Option is issued in connection with the issue or sale of other securities of the Company, together comprising one integrated transaction, (x) the Options will be deemed to have been issued for the Option Value of such Options and (y) the other securities issued or sold in such integrated transaction shall be deemed to have been issued or sold for the difference of (I) the aggregate consideration received by the Company less any consideration paid or payable by the Company pursuant to the terms of such other securities of the Company, less (II) the Option Value. If any shares of Common Stock, Options or Convertible Securities are issued or sold or deemed to have been issued or sold for cash, the consideration other than cash received therefor will be deemed to be the net amount received by the Company therefor. If any shares of Common Stock, Options or Convertible Securities are issued or sold for a consideration other than cash, the amount of such consideration received by the Company will be the fair value of such consideration, except where such consideration consists of publicly traded securities, in which case the amount of consideration received by the Company will be the Closing Sale Price of such publicly traded securities on the date of receipt. If any shares of Common Stock, Options or Convertible Securities are issued to the owners of the non-surviving entity in connection with any merger in which the Company is the surviving entity, the amount of consideration therefor will be deemed to be the fair value of such portion of the net assets and business of the non-surviving entity as is attributable to such shares of Common Stock, Options or Convertible Securities, as the case may be. The fair value of any consideration other than cash or publicly traded securities will be determined jointly by the Company and the Required Holders. If such parties are unable to reach agreement within ten (10) days after the occurrence of an event requiring valuation (the “**Valuation Event**”), the fair value of such consideration will be determined within five (5) Business Days after the tenth (10th) day following the Valuation Event by an independent, reputable appraiser jointly selected by the Company and the Required Holders. The determination of such appraiser shall be final and binding upon all parties absent manifest error and the fees and expenses of such appraiser shall be borne by the Company.

14. (v) Record Date. If the Company takes a record of the holders of shares of Common Stock for the purpose of entitling them (A) to receive a dividend or other distribution payable in shares of Common Stock, Options or in Convertible Securities or (B) to subscribe for or purchase shares of Common Stock, Options or Convertible Securities, then such record date will be deemed to be the date of the issue or sale of the shares of Common Stock deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.
15. (vi) No Readjustments. For the avoidance of doubt, in the event the Exercise Price has been adjusted pursuant to this Section 2(a) and the Dilutive Issuance that triggered such adjustment does not occur, is not consummated, is unwound or is cancelled after the facts for any reason whatsoever, in no event shall the Exercise Price be readjusted to the Exercise Price that would have been in effect if such Dilutive Issuance had not occurred or been consummated.
16. Voluntary Adjustment By Company. The Company may at any time during the term of this Warrant, with the prior written consent of the Required Holders, reduce the then current Exercise Price to any amount and for any period of time deemed appropriate by the Board of Directors of the Company.
17. Adjustment Upon Subdivision or Combination of Shares of Common Stock. If the Company at any time on or after the Subscription Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced and the number of Warrant Shares will be proportionately increased. If the Company at any time on or after the Subscription Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior to such combination will be proportionately increased and the number of Warrant Shares will be proportionately decreased. Any adjustment under this Section 2(c) shall become effective at the close of business on the date the subdivision or combination becomes effective.

18. Other Events. If any event occurs of the type contemplated by the provisions of this Section 2 but not expressly provided for by such provisions (including, without limitation, the granting of stock appreciation rights, phantom stock rights or other rights with equity features), then the Company's Board of Directors will make an appropriate adjustment in the Exercise Price and the number of Warrant Shares, as mutually determined by the Company's Board of Directors and the Required Holders, so as to protect the rights of the Holder; provided that no such adjustment pursuant to this Section 2(d) will increase the Exercise Price or decrease the number of Warrant Shares as otherwise determined pursuant to this Section 2.
19. RIGHTS UPON DISTRIBUTION OF ASSETS. If the Company shall declare or make any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property, options, evidence of indebtedness or any other assets by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "**Distribution**"), at any time after the issuance of this Warrant, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, that to the extent that the Holder's right to participate in any such Distribution would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Distribution to such extent (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Distribution (and beneficial ownership) to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time or times as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such Distribution (and any Distributions declared or made on such initial Distribution or on any subsequent Distribution held similarly in abeyance) to the same extent as if there had been no such limitation).

20. PURCHASE RIGHTS; FUNDAMENTAL TRANSACTIONS.

21. Purchase Rights. In addition to any adjustments pursuant to Section 2 above, if at any time the Company grants, issues or sells any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of Common Stock (the “**Purchase Rights**”), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations or restrictions on exercise of this Warrant, including without limitation, the Maximum Percentage) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, that to the extent that the Holder’s right to participate in any such Purchase Right would result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, then the Holder shall not be entitled to participate in such Purchase Right to such extent (and shall not be entitled to beneficial ownership of such shares of Common Stock as a result of such Purchase Right (and beneficial ownership) to such extent) and such Purchase Right to such extent shall be held in abeyance for the benefit of the Holder until such time or times as its right thereto would not result in the Holder and the other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be granted such right (and any Purchase Right granted, issued or sold on such initial Purchase Right or on any subsequent Purchase Right held similarly in abeyance) to the same extent as if there had been no such limitation).
22. Fundamental Transactions. The Company shall not enter into or be party to a Fundamental Transaction unless the Successor Entity assumes in writing all of the obligations of the Company under this Warrant and the other Transaction Documents in accordance with the provisions of this Section 4(b) pursuant to written agreements in form and substance satisfactory to the Required Holders and approved by the Required Holders prior to such Fundamental Transaction, including agreements, if so requested by the Holder, to deliver to each holder of the SPA Warrants in exchange for such SPA Warrants a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant, including, without limitation, an adjusted exercise price equal to the value for the shares of Common Stock reflected by the terms of such Fundamental Transaction, and exercisable for a corresponding number of shares of capital stock equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and satisfactory to the Required Holders, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the occurrence or consummation of such Fundamental Transaction).

Any security issuable or potentially issuable to the Holder pursuant to the terms of this Warrant on the consummation of a Fundamental Transaction shall be registered and freely tradable by the Holder without any restriction or limitation or the requirement to be subject to any holding period pursuant to any applicable securities laws. Upon the occurrence or consummation of any Fundamental Transaction, and it shall be a required condition to the occurrence or consummation of any Fundamental Transaction that, the Company and the Successor Entity or Successor Entities, jointly and severally, shall succeed to, and the Company shall cause any Successor Entity or Successor Entities to jointly and severally succeed to, and be added to the term "Company" under this Warrant (so that from and after the date of such Fundamental Transaction, each and every provision of this Warrant referring to the "Company" shall refer instead to each of the Company and the Successor Entity or Successor Entities, jointly and severally), and the Company and the Successor Entity or Successor Entities, jointly and severally, may exercise every right and power of the Company prior thereto and shall assume all of the obligations of the Company prior thereto under this Warrant with the same effect as if the Company and such Successor Entity or Successor Entities, jointly and severally, had been named as the Company in this Warrant, and, solely at the request of the Holder, if the Successor Entity and/or Successor Entities is a publicly traded corporation whose common stock is quoted on or listed for trading on an Eligible Market, shall deliver (in addition to and without limiting any right under this Warrant) to the Holder in exchange for this Warrant a security of the Successor Entity and/or Successor Entities evidenced by a written instrument substantially similar in form and substance to this Warrant and exercisable for a corresponding number of shares of capital stock of the Successor Entity and/or Successor Entities (the "**Successor Capital Stock**") equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction (such corresponding number of shares of Successor Capital Stock to be delivered to the Holder shall be equal to the greater of (A) the quotient of (i) the aggregate dollar value of all consideration (including cash consideration and any consideration other than cash ("**Non-Cash Consideration**"), in such Fundamental Transaction, as such values are set forth in any definitive agreement for the Fundamental Transaction that has been executed at the time of the first public announcement of the Fundamental Transaction or, if no such value is determinable from such definitive agreement, as determined in accordance with Section 12 with the term "Non-Cash Consideration" being substituted for the term "Exercise Price") that the Holder would have been entitled to receive upon the happening of such Fundamental Transaction or the record, eligibility or other determination date for the event resulting in such Fundamental Transaction, had this Warrant been exercised immediately prior to such Fundamental Transaction or the record, eligibility or other determination date for the event resulting in such Fundamental Transaction (without regard to any limitations on the exercise of this Warrant) (the "**Aggregate Consideration**") divided by (ii) the per share Closing Sale Price of such Successor Capital Stock on the Trading Day immediately prior to the consummation or occurrence of the Fundamental Transaction and (B) the product of (i) the Aggregate Consideration and (ii) the highest exchange ratio pursuant to which any shareholder of the Company may exchange Common Stock for Successor Capital Stock) (provided, however, to the extent that the Holder's right to receive any such shares of publicly traded common stock (or their equivalent) of the Successor Entity would result in the Holder and its other Attribution Parties exceeding the Maximum Percentage, if applicable, then the Holder shall not be entitled to receive such shares to such extent (and shall not be entitled to beneficial ownership of such shares of publicly traded common stock (or their equivalent) of the Successor Entity as a result of such consideration to such extent) and the portion of such shares shall be held in abeyance for the Holder until such time or times, as its right thereto would not result in the Holder and its other Attribution Parties exceeding the Maximum Percentage, at which time or times the Holder shall be delivered such shares to the extent as if there had been no such limitation),

and such security shall be satisfactory to the Holder, and with an identical exercise price to the Exercise Price hereunder (such adjustments to the number of shares of capital stock and such exercise price being for the purpose of protecting after the consummation or occurrence of such Fundamental Transaction the economic value of this Warrant that was in effect immediately prior to the consummation or occurrence of such Fundamental Transaction, as elected by the Holder solely at its option). Upon occurrence or consummation of the Fundamental Transaction, and it shall be a required condition to the occurrence or consummation of such Fundamental Transaction that, the Company and the Successor Entity or Successor Entities shall deliver to the Holder confirmation that there shall be issued upon exercise of this Warrant at any time after the occurrence or consummation of the Fundamental Transaction, as elected by the Holder solely at its option, shares of Common Stock, Successor Capital Stock or, in lieu of the shares of Common Stock or Successor Capital Stock (or other securities, cash, assets or other property purchasable upon the exercise of this Warrant prior to such Fundamental Transaction), such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights), which for purposes of clarification may continue to be shares of Common Stock, if any, that the Holder would have been entitled to receive upon the happening of such Fundamental Transaction or the record, eligibility or other determination date for the event resulting in such Fundamental Transaction, had this Warrant been exercised immediately prior to such Fundamental Transaction or the record, eligibility or other determination date for the event resulting in such Fundamental Transaction (without regard to any limitations on the exercise of this Warrant), as adjusted in accordance with the provisions of this Warrant. In addition to and not in substitution for any other rights hereunder, prior to the occurrence or consummation of any Fundamental Transaction pursuant to which holders of shares of Common Stock are entitled to receive securities, cash, assets or other property with respect to or in exchange for shares of Common Stock (a “**Corporate Event**”), the Company shall make appropriate provision to insure that, and any applicable Successor Entity or Successor Entities shall ensure that, and it shall be a required condition to the occurrence or consummation of such Corporate Event that, the Holder will thereafter have the right to receive upon exercise of this Warrant at any time after the occurrence or consummation of the Corporate Event, shares of Common Stock or Successor Capital Stock or, if so elected by the Holder, in lieu of the shares of Common Stock (or other securities, cash, assets or other property) purchasable upon the exercise of this Warrant prior to such Corporate Event (but not in lieu of such items still issuable under Sections 3 and 4(a), which shall continue to be receivable on the Common Stock or on the such shares of stock, securities, cash, assets or any other property otherwise receivable with respect to or in exchange for shares of Common Stock), such shares of stock, securities, cash, assets or any other property whatsoever (including warrants or other purchase or subscription rights and any shares of Common Stock) which the Holder would have been entitled to receive upon the occurrence or consummation of such Corporate Event or the record, eligibility or other determination date for the event resulting in such Corporate Event, had this Warrant been exercised immediately prior to such Corporate Event or the record, eligibility or other determination date for the event resulting in such Corporate Event (without regard to any limitations on exercise of this Warrant). Provision made pursuant to the preceding sentence shall be in a form and substance reasonably satisfactory to the Holder. The provisions of this Section 4(b) shall apply similarly and equally to successive Fundamental Transactions and Corporate Events.

23. Notwithstanding the foregoing, in the event of Fundamental Transaction, at the request of the Holder delivered before the ninetieth (90th) day after the occurrence or consummation of such Fundamental Transaction, the Company (or the Successor Entity) shall purchase this Warrant from the Holder by paying to the Holder, within five (5) Business Days after such request (or, if later, on the effective date of the Fundamental Transaction), cash in an amount equal to the Black Scholes Value of the remaining unexercised portion of this Warrant on the date of such Fundamental Transaction.
24. NONCIRCUMVENTION. The Company hereby covenants and agrees that the Company will not, by amendment of its Articles of Incorporation or Bylaws, or through any reorganization, transfer of assets, consolidation, merger, scheme of arrangement, dissolution, issue or sale of securities, or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, and will at all times in good faith carry out all of the provisions of this Warrant and take all action as may be required to protect the rights of the Holder. Without limiting the generality of the foregoing, the Company (i) shall not increase the par value of any shares of Common Stock receivable upon the exercise of this Warrant above the Exercise Price then in effect, (ii) shall take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable shares of Common Stock upon the exercise of this Warrant, and (iii) shall, so long as any of the SPA Warrants are outstanding, take all action necessary to reserve and keep available out of its authorized and unissued shares of Common Stock, solely for the purpose of effecting the exercise of the SPA Warrants, 130% of the number of shares of Common Stock as shall from time to time be necessary to effect the exercise of the SPA Warrants then outstanding (without regard to any limitations on exercise).
25. WARRANT HOLDER NOT DEEMED A SHAREHOLDER. Except as otherwise specifically provided herein, the Holder, solely in such Person's capacity as a holder of this Warrant, shall not be entitled to vote or receive dividends or be deemed the holder of share capital of the Company for any purpose, nor shall anything contained in this Warrant be construed to confer upon the Holder, solely in such Person's capacity as the Holder of this Warrant, any of the rights of a shareholder of the Company or any right to vote, give or withhold consent to any corporate action (whether any reorganization, issue of stock, reclassification of stock, consolidation, merger, conveyance or otherwise), receive notice of meetings, receive dividends or subscription rights, or otherwise, prior to the issuance to the Holder of the Warrant Shares which such Person is then entitled to receive upon the due exercise of this Warrant. In addition, nothing contained in this Warrant shall be construed as imposing any liabilities on the Holder to purchase any securities (upon exercise of this Warrant or otherwise) or as a shareholder of the Company, whether such liabilities are asserted by the Company or by creditors of the Company. Notwithstanding this Section 6, the Company shall provide the Holder with copies of the same notices and other information given to the shareholders of the Company generally, contemporaneously with the giving thereof to the shareholders.

26. REISSUANCE OF WARRANTS.

27. Transfer of Warrant. If this Warrant is to be transferred, the Holder shall surrender this Warrant to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Warrant (in accordance with Section 7(d)), registered as the Holder may request, representing the right to purchase the number of Warrant Shares being transferred by the Holder and, if less than the total number of Warrant Shares then underlying this Warrant is being transferred, a new Warrant (in accordance with Section 7(d)) to the Holder representing the right to purchase the number of Warrant Shares not being transferred.
28. Lost, Stolen or Mutilated Warrant. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant, and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary form and, in the case of mutilation, upon surrender and cancellation of this Warrant, the Company shall execute and deliver to the Holder a new Warrant (in accordance with Section 7(d)) representing the right to purchase the Warrant Shares then underlying this Warrant.
29. Exchangeable for Multiple Warrants. This Warrant is exchangeable, upon the surrender hereof by the Holder at the principal office of the Company, for a new Warrant or Warrants (in accordance with Section 7(d)) representing in the aggregate the right to purchase the number of Warrant Shares then underlying this Warrant, and each such new Warrant will represent the right to purchase such portion of such Warrant Shares as is designated by the Holder at the time of such surrender; provided, however, that no SPA Warrants for fractional Warrant Shares shall be given.
30. Issuance of New Warrants. Whenever the Company is required to issue a new Warrant pursuant to the terms of this Warrant, such new Warrant (i) shall be of like tenor with this Warrant, (ii) shall represent, as indicated on the face of such new Warrant, the right to purchase the Warrant Shares then underlying this Warrant (or in the case of a new Warrant being issued pursuant to Section 7(a) or Section 7(c), the Warrant Shares designated by the Holder which, when added to the number of shares of Common Stock underlying the other new Warrants issued in connection with such issuance, does not exceed the number of Warrant Shares then underlying this Warrant), (iii) shall have an issuance date, as indicated on the face of such new Warrant which is the same as the Issuance Date, and (iv) shall have the same rights and conditions as this Warrant.

31. **NOTICES.** Whenever notice is required to be given under this Warrant, unless otherwise provided herein, such notice shall be given in accordance with Section 12.1 of the Securities Purchase Agreement. The Company shall provide the Holder with prompt written notice of all actions taken pursuant to this Warrant, including in reasonable detail a description of such action and the reason therefor. Without limiting the generality of the foregoing, the Company will give written notice to the Holder (i) immediately upon any adjustment of the Exercise Price, setting forth in reasonable detail, and certifying, the calculation of such adjustment and (ii) at least fifteen (15) days prior to the date on which the Company closes its books or takes a record (A) with respect to any dividend or distribution upon the shares of Common Stock, (B) with respect to any grants, issuances or sales of any Options, Convertible Securities or rights to purchase stock, warrants, securities or other property to holders of shares of Common Stock or (C) for determining rights to vote with respect to any Fundamental Transaction, dissolution or liquidation; provided in each case that such information shall be made known to the public prior to or in conjunction with such notice being provided to the Holder. It is expressly understood and agreed that the time of exercise specified by the Holder in each Exercise Notice shall be definitive and may not be disputed or challenged by the Company.
32. **AMENDMENT AND WAIVER.** Except as otherwise provided herein, the provisions of this Warrant may be amended or waived and the Company may take any action herein prohibited, or omit to perform any act herein required to be performed by it, only if the Company has obtained the written consent of the Holder.
33. **GOVERNING LAW; JURISDICTION; JURY TRIAL.** This Warrant shall be governed by and construed and enforced in accordance with, and all questions concerning the construction, validity, interpretation and performance of this Warrant shall be governed by, the internal laws of the State of California, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of California or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of California. The Company hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in Orange County, California, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. The Company hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to the Company at the address set forth in Section 12.1 of the Securities Purchase Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed or operate to preclude the Holder from bringing suit or taking other legal action against the Company in any other jurisdiction to collect on the Company's obligations to the Holder, to realize on any collateral or any other security for such obligations, or to enforce a judgment or other court ruling in favor of the Holder. **THE COMPANY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WARRANT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

34. CONSTRUCTION; HEADINGS. This Warrant shall be deemed to be jointly drafted by the Company and all the Buyers and shall not be construed against any Person as the drafter hereof. The headings of this Warrant are for convenience of reference and shall not form part of, or affect the interpretation of, this Warrant.
35. DISPUTE RESOLUTION. In the case of a dispute as to the determination of the Exercise Price or the arithmetic calculation of the Warrant Shares, the Company shall submit the disputed determinations or arithmetic calculations via facsimile within two (2) Business Days of receipt of the Exercise Notice giving rise to such dispute, as the case may be, to the Holder. If the Holder and the Company are unable to agree upon such determination or calculation of the Exercise Price or the Warrant Shares within three (3) Business Days of such disputed determination or arithmetic calculation being submitted to the Holder, then the Company shall, within two (2) Business Days submit via facsimile (a) the disputed determination of the Exercise Price to an independent, reputable investment bank selected by the Company and approved by the Holder or (b) the disputed arithmetic calculation of the Warrant Shares to the Company's independent, outside accountant. The remedies provided in this Warrant shall be cumulative and in addition to all other remedies available under this Warrant and the other Transaction Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit the right of the Holder to pursue actual damages for any failure by the Company to comply with the terms of this Warrant. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder and that the remedy at law for any such breach may be inadequate. The Company therefore agrees that, in the event of any such breach or threatened breach, the holder of this Warrant shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.
37. TRANSFER. This Warrant and the Warrant Shares may be offered for sale, sold, transferred, pledged or assigned without the consent of the Company.

38. SEVERABILITY. If any provision of this Warrant is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Warrant so long as this Warrant as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).
39. DISCLOSURE. Upon receipt or delivery by the Company of any notice in accordance with the terms of this Warrant, unless the Company has in good faith determined that the matters relating to such notice do not constitute material, nonpublic information relating to the Company or its Subsidiaries (as defined in the Securities Purchase Agreement), the Company shall within one (1) Business Day after any such receipt or delivery publicly disclose such material, nonpublic information on a Current Report on Form 8-K or otherwise. In the event that the Company believes that a notice contains material, nonpublic information relating to the Company or its Subsidiaries, the Company so shall indicate to such Holder contemporaneously with delivery of such notice, and in the absence of any such indication, the Holder shall be allowed to presume that all matters relating to such notice do not constitute material, nonpublic information relating to the Company or its Subsidiaries.

Costa Mesa, Calif. (January 19, 2018) - NEMUS Bioscience, Inc. Emerald has further committed to invest a minimum of an additional \$1,000,000 into Nemus on or before February 28, 2018 to purchase 10,000,000 common shares at \$0.10 per share and warrants to purchase a further 13,600,000 common shares at \$0.10 per share. Nemus' current directors have resigned, except for Dr. Brian Murphy, who has been joined by Punit Dhillon and Jim Heppell as directors of the company. Mr. Dhillon and Mr. Heppell are also directors of Emerald.

"We welcome Nemus into Emerald's family of life science companies," commented Dr. Avtar Dhillon, CEO and Chairman of Emerald's Board of Directors. "We greatly value the intellectual capital and discovery capacity of the University of Mississippi, with which Nemus has an exclusive agreement for novel cannabinoid technologies. We will work to support the business and developmental vision of our CEO, Dr. Murphy, across a spectrum of medical indications of unmet need. The Emerald Board believes that Nemus presents a significant value proposition for investors and we look forward to advancing its pipeline into clinical development."

"Nemus is delighted to welcome Emerald as our majority shareholder and to bring its leadership and expertise to help us advance our drug development programs," stated Nemus co-founder, Cosmas N. Lykos. "I look forward to continuing my relationship with Nemus in a consultative capacity."

"We are pleased to embrace a strategic investment partner with expertise and a vision aligned with Nemus and our goals," reported Brian Murphy, MD, MBA, Nemus CEO and Chief Medical Officer. "We recently presented notable analgesic and ocular data on our proprietary analogue of CBD. Coupling these recent findings to the growing global patent footprint of our prodrug of THC, we intend to soon issue a pipeline development update reflecting the significant business opportunities available for our products and addressing molecule prioritization, associated goals, and timelines. We are looking forward to working with our new colleagues at Emerald and taking our first steps into human studies."

Nemus plans to utilize the capital raised to satisfy outstanding financial obligations and explore potential strategic opportunities which could possibly include a recapitalization plan and the potential uplisting of its shares onto a major stock exchange.
